INSTRUCTIONS

Step 1

Remove the original Quest 2 strap and take the S30 out of the package.

Step 2

Align and connect the left and right contacts of S30 and Quest 2.

Step 3

Fasten the left and right contact points to fully connect them to the headset.

Step 4

Remove the face shield and pass the head strap through the slot at the front of the headset.

Step 5

Re-attach the face shield to the headset.

Step 6

Rotate the headrest knob to adjust it to fit your head size.

Step 7

Adjust each node of the S30 until it feels comfortable.

Step 8

After installation and adjustment, it's time to jump into virtual reality!
