IMPORTANT SAFEGUARDS

WARNING: When the appliance is used in a bathroom, unplug it after use since the proximity of water presents a hazard even when the appliance is switched off.

When using electrical appliances, especially when children are present, basic safety precautions should always be followed, including the following:

**READ ALL INSTRUCTIONS BEFORE USING
KEEP AWAY FROM WATER**

DANGER: As with most electrical appliances, electrical parts are electrically live even when the switch is off.

To reduce the risk of death by electric shock:

- Always unplug it immediately after using.
- Do not place or store an appliance where it can fall or be pulled into a bath or sink.
- Do not use while bathing.
- Do not place or drop into water or other liquid.
- If an appliance falls into water, “unplug it” immediately. Do not reach into the water.

WARNING: TO REDUCE THE RISK OF BURNS, ELECTROCUTION, AND FIRE, OR INJURY TO PERSONS.

- The appliance should never be left unattended when plugged in to a power outlet.
- This appliance is not intended for use by persons (including children) with reduced physical, sensory or mental capabilities, or lack of experience and knowledge, unless they have been given supervision or instruction concerning use of the appliance by a person responsible for their safety.

Keep the appliance and the power cord away from the edge of table or countertops and out of reach of children and persons with reduced physical, sensory or mental capabilities.

- This appliance is not a toy. Children shall be supervised to ensure they do not play with the appliance.
- Cleaning and user maintenance shall not be made by children without supervision.

- Use this appliance only for its intended use as described in this manual. Do not use attachments not recommended by Remington.
- Never operate this appliance if it has a damaged cord or plug, if it is not working correctly, if it has been dropped or damaged, or dropped into water. If the supply cord or plug of this rotating air brush is damaged it must only be replaced by the manufacturer, its service agents or a qualified electrical tradesperson to avoid a hazard.
- Keep the cord away from heated surfaces.
- Do not use on people who are asleep.
- Never drop or insert any object into any opening of this appliance.
- Do not use outdoors or where aerosol (spray) products are being used or where oxygen is being administered.
- Do not direct hot air towards the eyes or other heat sensitive areas.
- Attachments, where provided, may be hot during and after use. Allow them to cool before handling.
- When using the appliance, keep your hair away from the air inlet grille. Do not let your hair get drawn into the appliance.
- Do not place the appliance on any soft surface such as a bed, carpet or a towel. Place only on a hard, flat, heat resistant surface.
- This appliance is not recommended for use on heavily treated/bleached hair, synthetic wigs or hair extensions.

For additional protection, the installation of a residual current device (RCD) with a rated residual operating current not exceeding 30mA is advisable in the electrical circuit supplying the bathroom. Ask your electrical contractor for advice.

SAVE THESE INSTRUCTIONS

AS5700AU COPPER BRILLIANCE BLOW DRY & STYLE AIRSTYLER USE AND CARE INSTRUCTION MANUAL

Thank you for purchasing your Remington® Copper Brilliance Blow Dry & Style Airstyler - featuring two styling brush attachments designed with mixed bristles & copper infused ceramic barrels, for creating shape and fullness.

KEY PARTS

- | | |
|---|------------------------------|
| 1. 800W power handle | 4. 38 mm mixed bristle brush |
| 2. Speed/heat selector switch
(*, \, //) | 5. Removable inlet grille |
| 3. 25 mm mixed bristle brush | 6. Hang up loop |
| | 7. Swivel cord |

BASIC HAIR CARE INSTRUCTIONS

The Copper Brilliance collection features copper infused coatings for even heat transfer and beautiful, sleek results.

- Wash and condition the hair as normal.
- Squeeze out excess moisture with a towel and comb through.
- For best results, dry your hair as normal until it is about 70-80% dry.
- Divide the hair into sections, style the lower layers first.

Note: This appliance is not suitable for use on synthetic wigs or hair extensions.

COPPER INFUSED CERAMIC BARREL

The advanced ceramic barrel releases copper micro-conditioners onto the hair for even heat transfer and fast salon performance.

TO FIT/REMOVE ATTACHMENTS

Fit the attachment before you turn on the appliance.

CAUTION: Attachments can become hot during use, let them cool before removing.

1. To remove, twist the attachment until the markings line up as shown in figure A and pull it off the power handle.
2. To fit an attachment, align the symbols on the power handle and attachment as shown in figure B then twist the attachment until it locks into place.

SPEED AND TEMPERATURE SETTINGS

1. Plug your styler in to the mains power supply.
2. Turn your air styler on and select the appropriate setting for your hair by sliding the speed/heat selector switch.
3. Your air styler has three settings:
 - High heat/speed (⏏): Thick and difficult to style hair.
 - Low heat/speed (⏏): Thin/fine, damaged or bleached hair.
 - Cool (❄): Helps to set your style with cool air.

CREATE VOLUME USING THE 38MM BRUSH

- To dry your roots and add volume, place the brush underneath the section close to the roots and hold for a few seconds, lifting the hair as you dry.

- Move the styler downward through the hair section.
- Repeat this around the head.
- Let the hair cool before further styling.

CREATE SHAPED ENDS USING THE 25MM BRUSH

- To curl the ends in, place the brush underneath the section close to the ends and rotate the styler inwards allowing the hair to wrap around the barrel and hold for a few seconds.
- To curl the ends out, place the brush on top of the section close to the ends and rotate the styler outwards allowing the hair to wrap around the barrel and hold for a few seconds.
- Repeat this around the head.
- Let the hair cool before further styling.

STORAGE, CLEANING AND MAINTENANCE

- After use, turn the appliance off by moving the temperature control switch to the 0 position.
- Unplug the appliance and allow to cool before cleaning and storing away.
- To maintain peak product performance and to prolong motor life, it is important to regularly remove any dust and dirt from the air filter grille and clean with a soft brush.
- To clean the area covered by the grille, twist it in the direction shown (Fig. C) and slide it down the cable. Clean the inside area then slide the grille back up the cable and twist it in the opposite direction until it locks.
- Don't use harsh or abrasive cleaning agents or solvents.

DISPOSAL/RECYCLING

Legislation in some localities mandates that e-waste (anything with a plug, battery or cord) is disposed of through controlled recycling facilities and must not be disposed of in general household waste. For more information about recycling of electrical and battery operated appliances, please contact your local council or your local household waste disposal service.

WARNING: Do not use this appliance near bathtubs, showers, basins or other vessels containing water.

As with all electrical appliances, the power cord must be regularly checked for wear and tear. Immediately cease using this product if the power cord shows any signs of damage.

This product conforms to radio frequency interference requirements.
Any product purchased and used commercially carries a limited 90 Day Warranty.
We suggest you use local waste management centres to recycle this product at end of life.

Spectrum Brands Australia Pty Ltd and Spectrum Brands New Zealand Limited

WARRANTY AGAINST DEFECTS

In this warranty:

Australian Consumer Law means the Australian consumer law set out in Schedule 2 to the Competition and Consumer Act 2010;

CGA means the New Zealand Consumer Guarantees Act 1993;

Goods means the product or equipment which was accompanied by this warranty and purchased in Australia or New Zealand, as the case may be;

Manufacturer, We or us means:

1. for Goods purchased in Australia, Spectrum Brands Australia Pty Ltd ACN, 007 070 573; or
2. for Goods purchased in New Zealand, Spectrum Brands New Zealand Limited, as the case may be, contact details as set out at the end of this warranty;

Supplier means the authorised distributor or retailer of the Goods that sold you the Goods in Australia or in New Zealand; and

You means you, the original end-user purchaser of the Goods.

1. Our goods come with guarantees that cannot be excluded under the Australian Consumer Law, or the CGA. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.
2. The benefits provided by this Warranty are in addition to all other rights and remedies in respect of the Goods which the consumer has under either the Australian Consumer Law or the CGA. The original purchaser of the Goods is provided with the following Warranty subject to the Warranty Conditions:
3. We warrant the Goods for all parts defective in workmanship or materials for the period of two (2) years from the date of purchase (**Warranty Period**). If the Goods prove defective within the Warranty Period by reason of improper workmanship or material, we may, at our own discretion, repair or replace the Goods without charge.

Warranty Conditions

4. The Goods must be used in accordance with the manufacturer's instructions. This Warranty does not apply should the defect in or failure of the Goods be attributable to misuse, abuse, accident or non-observance of manufacturer's instructions on the part of the user. As far as the law permits, the manufacturer does not accept liability for any direct or consequential loss, damage or other expense caused by or arising out of any failure to use the Goods in accordance with the manufacturer's instructions.
5. Consumable parts (such as shaver heads, cutters and foils) of the Goods are included under this Warranty only where there is a defect in workmanship or materials used.
6. The warranty granted under clause 3 is limited to repair or replacement only.
7. Any parts of the Goods replaced during repairs or any product replaced remain the property of the manufacturer. In the event of the Goods being replaced during the Warranty Period, the warranty on the replacement Goods will expire on the same date as for the Warranty Period on the original Goods which are replaced.

8. In order to claim under the warranty granted under clause 3 you must:
 - (a) Retain this warranty with your receipt/proof of purchase; and
 - (b) Return the Goods to us at the relevant address below or to the Supplier by prepaid freight within the Warranty Period accompanied with (i) the legible and unmodified original proof of purchase, which clearly indicates the name and address of the Supplier, the date and place of purchase, the product name or other product serial number and (ii) this warranty.
9. This warranty is immediately void if:
 - (a) Any serial number or appliance plate is removed or defaced;
 - (b) The Goods have been serviced or otherwise repaired by a person not authorised to do so by us or where non approved replaced parts are used.
10. The Goods are designed for domestic use only. A limited 90-day Warranty applies to any industrial or commercial use of the Goods. The Goods must be connected to the electrical voltage requirements as specified in the ratings label located on the Goods.
11. This warranty does not cover the cost of claiming under the warranty or transport of the Goods to and from the Supplier or us.
12. This warranty is only valid and enforceable in Australia against Spectrum Brands Australia Pty Ltd and in New Zealand against Spectrum Brands New Zealand Limited.

Contact us or the Supplier for further details.
