

INSTALLATION

Tools:

Philips Screwdriver

Silicone sealant

Adjustable wrench

Hex wrench

Pliers

Pipe tape

Cleaning:

To maintain and protect the fine luster of all products, clean with a soft damp cloth only.
DO NOT USE harsh chemicals or cleaners as they may harm the protective finish.

Warning and Notes:

This product is used to illustrate installation.

Installation Steps:

Soap Dispenser

Remove the dispensing head assembly, washer and nut from soap dispenser sleeve.

Insert soap dispenser sleeve through sink hole and secure with washer and nut.

Screw soap bottle into soap dispenser sleeve, tighten by Adjustable wrench.

Pour in liquid soap (or hand lotion).

Put the pump nozzle and plastic pump into sleeve.

Pump dispensing head several times until soap/lotion comes out freely.
