

SNAP LOCK

Small Coop Run Extension

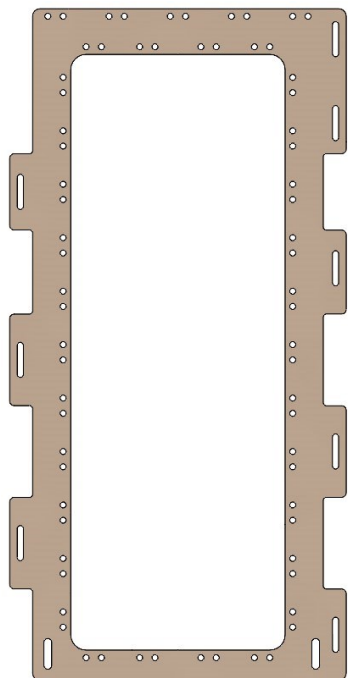

Instruction Manual
for Snap Lock Small Chicken Coop Run

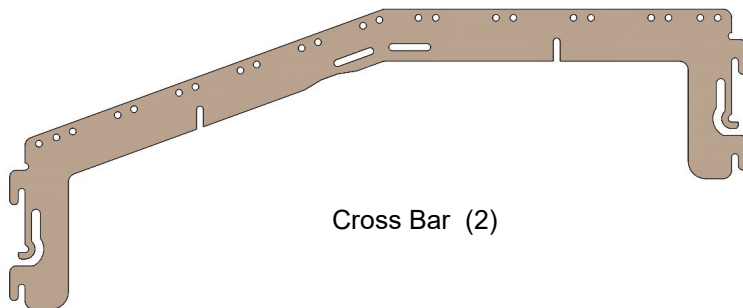

PARTS LIST FOR THE SMALL SNAP LOCK CHICKEN COOP RUN

This kit for the Small Model SNAP LOCK CHICKEN COOP RUN includes the following:

- one envelope containing instructions, the warranty
- It also includes all the parts listed on this page

Side Panel 1 (2)

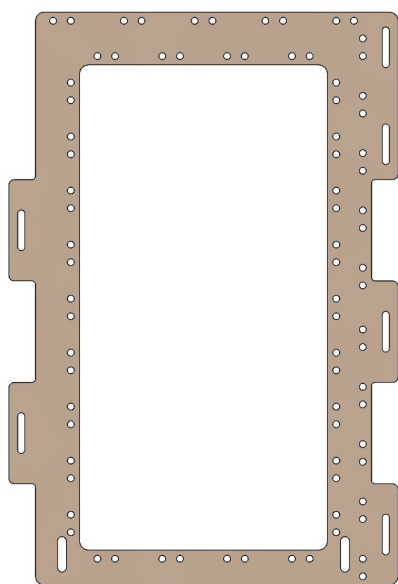

Cross Bar (2)

Link Bar 1 (2)

Link Bar 2 (2)

Side Panel 3 (2)

SMALL COOP RUN EXTENSION Assembly

Step 1: First remove the SMALL CHICKEN COOP RUN end assembly. First detach any wire twists or zip ties used to connect the chicken wire along the end section.

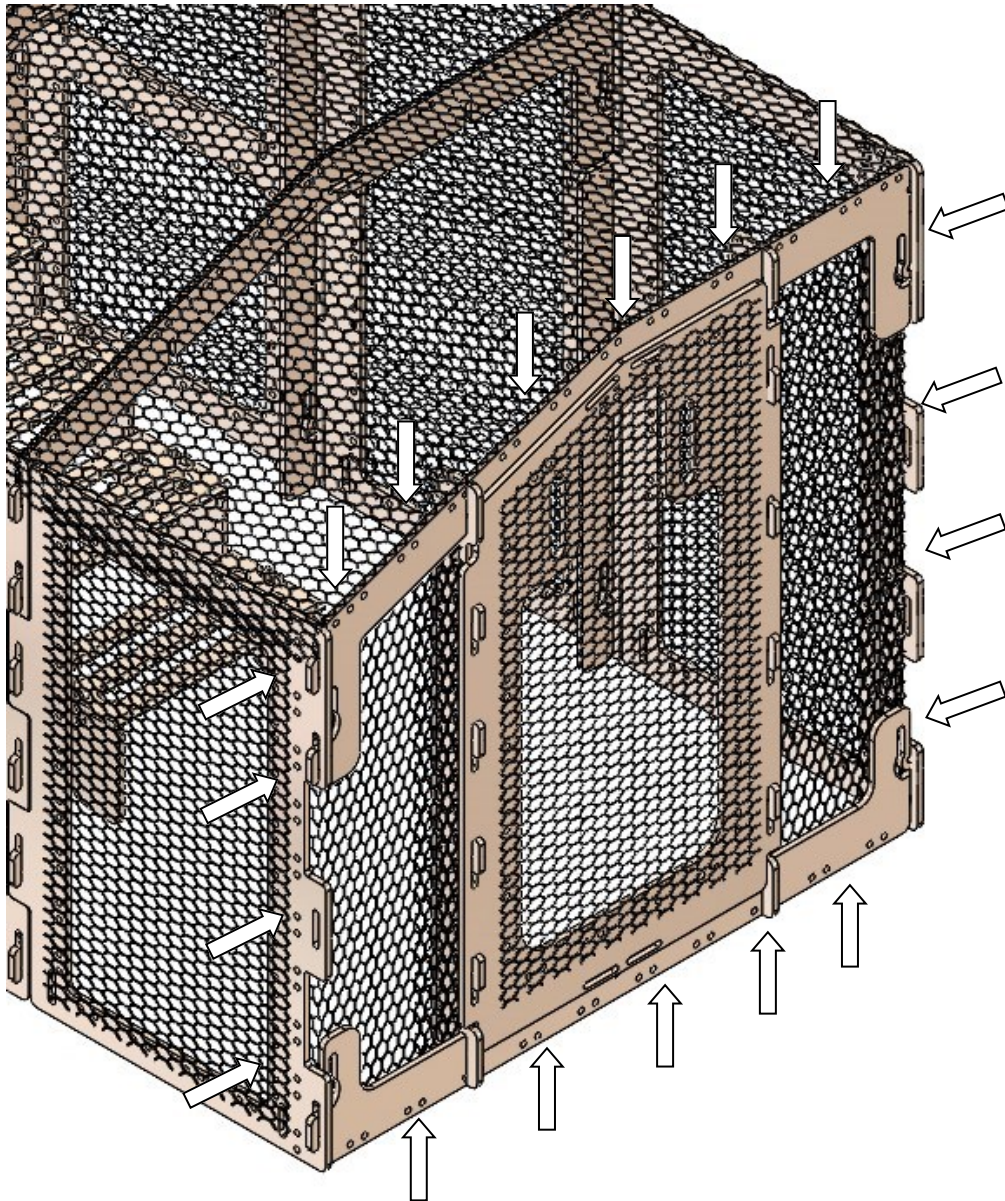

Fig. 1a

SMALL COOP RUN EXTENSION Assembly

Step 2: Then remove first the cross bar, followed by the door and door supports, followed by the bottom bar. Set these components aside as they will be used later. To remove the cross and bottom bar, first place a screw driver or other lever into the locking lever and lift to disengage the lock. Then lift firmly to align the slots and tabs, then pull away from the side panel to remove.

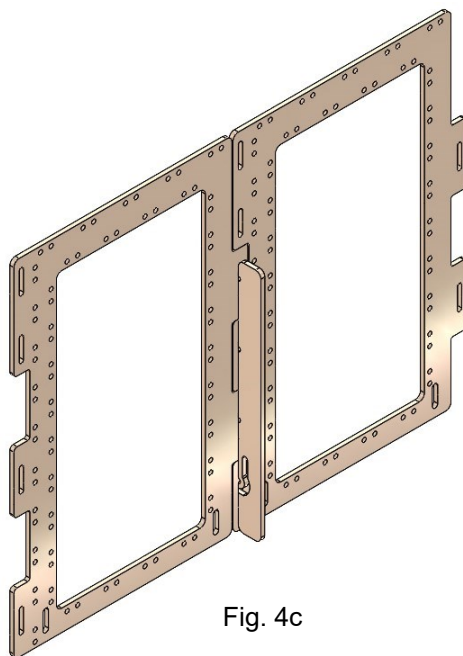

Fig. 4c

SMALL COOP RUN EXTENSION Assembly

Step 5: Place both side panel assemblies so that the slots align with the open slots on the end of the SMALL CHICKEN COOP assembly. Lock them into place as shown by inserting two Link Bars into the slots, leaving the top two slots on the SMALL CHICKEN COOP assembly open. Press the Link Bars down until they lock into place
