FROM THE GM

It wasn't so long ago when women used to hang their necklaces in their cabinet hooks and place their pearl earrings in wooden boxes and trays. It was the time when putting on makeup meant that one had to be under the beaming sun just to achieve that flawless look. Remembering where you placed that pair of vintage earrings you purchased from the flea market was such a hassle.

LUXFURNI, the finest jewelry cabinet maker was born out of this idea. Capturing the evolving needs of women over the years empowered us to create products that set an industry standard. Jewelry cabinets and makeup mirrors designed to understand the million small details that women want.

These fine details have ushered a new era of design by combining modern innovations with classic design elements. From hardwood jewelry cabinets that empower women to Hollywood makeup mirrors that make you feel like a star, each LUXFURNI product tells a story. Discover yours and enjoy each step of your journey towards luxury with a true masterpiece.
