IMPORTANT SAFEGUARDS

Read these instructions carefully and retain them for future use. If this product is passed to a third party, then these instructions must be included.

When using the product, basic safety precautions should always be followed to reduce the risk of injury including the following:

- For domestic and office use only.
- The castors are suitable for carpet floors. Use a suitable base on sensitive or hard floors.
- Always use on firm level ground.
- Do not stand on the seat.
- Do not sit on the armrest.
- Do not let children play with this product.

Before First Use

- Check for transport damages.

DANGER

Risk of suffocation! Keep any packaging materials away from children – these materials are a potential source of danger, e.g. suffocation.

Assembly

Step 1:

NOTICE

The castors (G) can move freely when you sit on the chair. When you stand up, the castors will be locked automatically.
