

The Trailer Buddy User Manual

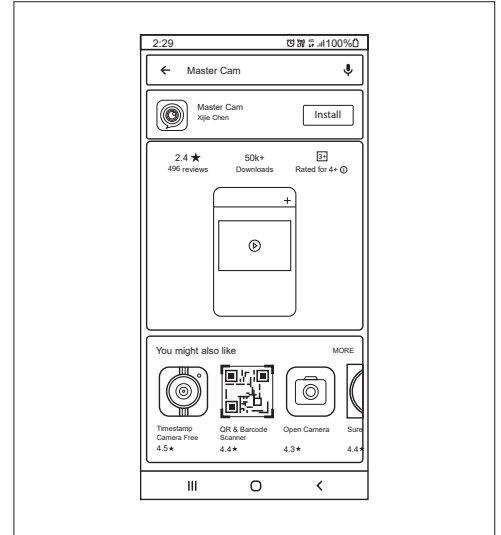

Note: For detailed instructions on camera set up and operation please see full camera user manual enclosed.

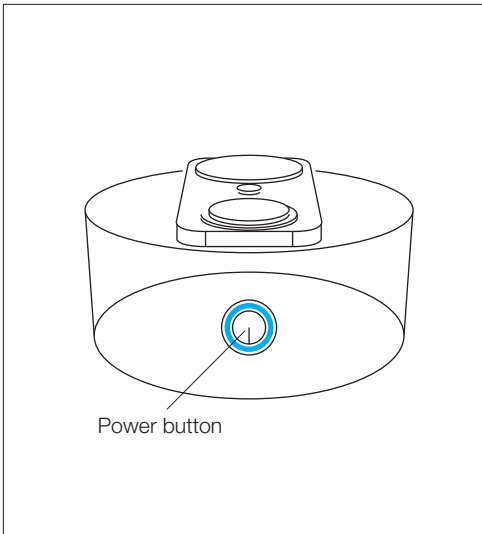

Step 1: Charge the camera using USB cable.

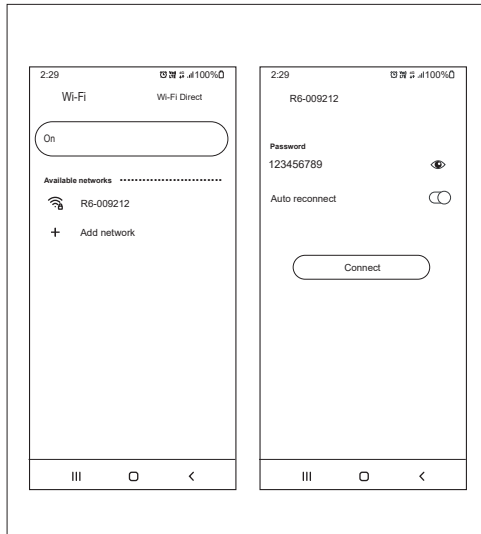

Step 2: Slot the camera into cradle with the clip.

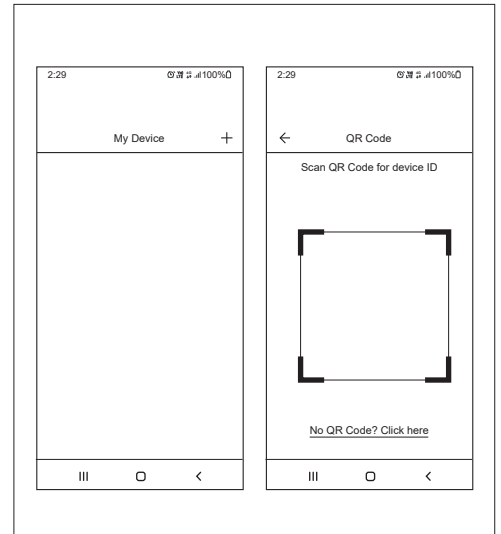

Step 3: Download the App "MASTER CAM" from the app store to your mobile phone.

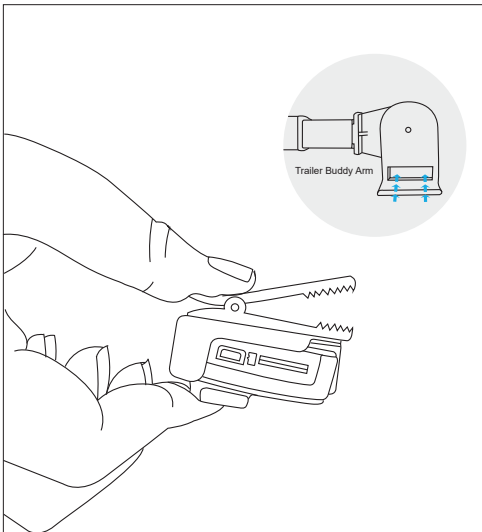

Step 4: Turn the camera on using the power button and wait for the light to turn blue.

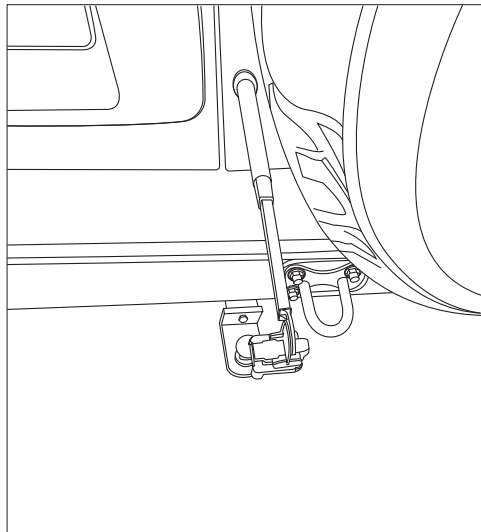

Step 5: Connect the Wi-Fi from your mobile phone to your camera by selecting "R6-009212" in your phones Wi-Fi Settings. "Enter Password: "123456789" .

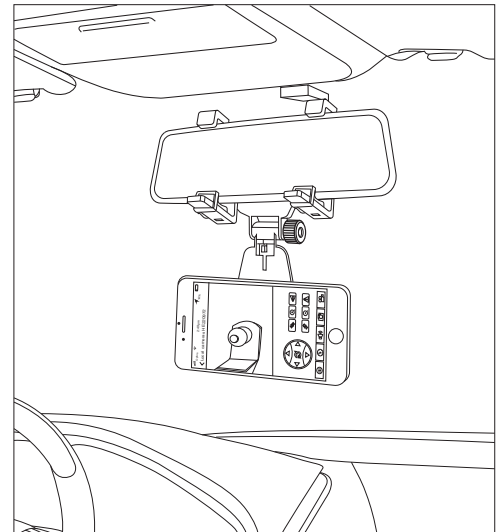

Step 6: Open the "Master cam" app that you just installed. By clicking the "+" on the app and scanning the QR code on the camera, you can connect to your camera. You can reset your camera password by entering '111111' as the default password

Step 7: Open camera clip and slide through the hole at the top of The Trailer Buddy Arm.

Step 8: Fix the trailer buddy arm to the back of your vehicle and extend it over the towball until you have a clear view of the tow ball through the app on your mobile phone.

Step 9: Secure your phone to a mobile phone holder on the dashboard of your car.
