4.3 Syncing 1. To use your Bluetooth[®] stereo Truebuds, you must first pair your Truebuds to a Bluetooth[®] enabled device. Once your Bluetooth[®] Truebuds are paired to a smart device, they will remain paired and automatically recognize each other whenever they are within range. 2. To switch on and sync the Truebuds together simply remove them from the charging case and they will turn on automatically, the Truebuds LED light will start to flash red and blue, and the other earbuds LED light will turn off, they are now ready to be paired with a Bluetooth[®] compatible device. Be sure that your devices Bluetooth[®] function is turned on. 3. Search for the Truebuds using a Bluetooth[®] compatible device. Select "Truebuds Air" from the list of devices to connect and pair. Once paired the Truebuds will prompt you "Your Bluetooth device is connected" 4. To unpair or remove a Bluetooth[®] compatible device from the Truebuds turn off the Bluetooth[®] function on the compatible device. The Truebuds can now be paired with a new compatible device. 5. Note: Pairing mode will last for 3-4 minutes. If no Bluetooth[®] devices are paired within this time, the Truebuds will automatically power-off.	4.4 Charging Your Stereo TRUEBUDS The charging case is fitted with a 300 mAh rechargeable battery (non-removable). It's recommended that the battery is fully charged before the first use; this will take about 2 hours. Connect the Type-C USB end of the Cable included into the Type-C port on the charging case and the other end to a compatible USB wall charger or PC. While charging the LCD screen will show the percentage of the battery. Once the charging case is full charged the LCD screen will show 100% charged. Carefully disconnect both ends of the USB charging cable and store it safely for future use. The Truebuds are each fitted with a 35 mAh rechargeable battery (non-removable). It's recommended that the battery is full charged before first use; this will take approx 1hr. To Charge the Truebuds, carefully place each Truebud into it's respective earbud slot. Once the Truebuds are placed in the charging case it will start to charge automatically. The LED light on the bottom of both earbuds will light up red, once they are fully charged the LED light will turn blue and then shuts off after 5 seconds. 	5.Product Specifications <table> <tr><td>Bluetooth Version:</td><td>5.0</td></tr> <tr><td>Bluetooth Frequency:</td><td>2.4GHZ</td></tr> <tr><td>Bluetooth Range:</td><td>Up to 30 Ft</td></tr> <tr><td>Battery Capacity:</td><td>Earbuds: 35 mAh</td></tr> <tr><td>Case Capacity:</td><td>300mAh</td></tr> <tr><td>Talk/ Play Time:</td><td>2-3 hours</td></tr> <tr><td>Standby Time:</td><td>10 hours</td></tr> </table>  COMPATIBLE WITH ANY BLUETOOTH DEVICE  UP TO 2 HOURS OF PLAYTIME  8D Sound  BUILT-IN MIC	Bluetooth Version:	5.0	Bluetooth Frequency:	2.4GHZ	Bluetooth Range:	Up to 30 Ft	Battery Capacity:	Earbuds: 35 mAh	Case Capacity:	300mAh	Talk/ Play Time:	2-3 hours	Standby Time:	10 hours	6.FAQ 1. I only hear music out of 1 ear? ANS. 1a.) Power off the BOTH TrueBuds manually by pressing and holding the touch control until you hear both Earbuds say power off, then place them back into the charging case. 1b.) Delete / forget the TrueBuds from your Bluetooth Library or discovered device list, then switch off the Bluetooth function on your device. 1c.) Take the earbuds out of the charging base, and both earbuds will start to flash red and blue rapidly. 1d.) Don't turn on Bluetooth function until one of earbuds stops flashing. (this step is basically pairing the 2 earbuds together, they need to pair together before you can pair them with your Bluetooth device) 1e.) Turn the Bluetooth on and select the TrueBuds Air from the device list, and BOTH the voice prompt will say Bluetooth Connected successfully. 2. Why is there no power even when the Truebuds are Turned ON? ANS. Ensure the battery has been charged up to 2 hours for initial use. 3. There is no sound during playback? ANS. Check the connection between the Truebuds and your smart device if the connection is not established please connect again. Make sure the Truebuds are paired with your Bluetooth enabled device. 4. Can I use 1 Truebud at a time? ANS. Yes, if you would like to use only one Truebud at a time then simply turn on the side that you want to use and make sure the other Truebud is powered off, your music and phone calls will only play in mono sound.
