Warranty Card

TERMS & CONDITIONS OF WARRANTY

1. Cello products are warranted **against** poor workmanship, manufacturing defect and use of faulty material only. Consequential liabilities will not be entertained. All Cello products are designed for domestic usage only.
2. In the event of a replacement of spaces during the warranty period, this warranty card will be provided along with the original tag to involve our Meters to process the claim. The Company is not entitled to replace with incompatible warranty cards.
3. This warranty is confined to be the first purchaser of the product only & is non-transferable.
4. Repair or replacement of items will be carried out through the Company's Authorised Service Centres or its Authorized Dealers.
5. Request during warranty period shall be accepted on basis, however, for services, the purchaser shall send the product to the Company's Authorised Service Centre / Authorized Dealer for warranty service along with Tax Invoice, Cash Memo and Warranty Card. The warranty, during this period, shall be valid only if the product is returned to the company's place for the Company's Authorized Service Centre for Authorized Service. However, in case the customer himself brought the purchased items to the jurisdiction of the Company's Authorized Service Centre (Authorized Dealer), subject to the Company (or Authorized Service Centre/Authorized Dealer) to collect the product from his place for the purpose of serving the product that all expenses incurred in collection and delivery back of the product, as well as the expense incurred in connection with depositing of service personnel's solicitation towards to and for travel, expenses and other incidentals etc. will be borne by the customer.
6. In the event of replacement of any part(s) of the product, this warranty will transfer continue and remain in force only for the unexpired period of the warranty. Moreover, the time taken for replacement/repair and its transit whether inside the country or otherwise shall not be excluded from the warranty period.

THIS WARRANTY IS NOT APPLICABLE IN ANY OF THE FOLLOWING CASES:

The appliance is warranted against faulty workmanship or faulty material for a period of six years, provided that such a condition conforms with the instructions accompanying the product. The warranty does not apply to:

1. The warranty does not apply if used by the purchaser.
2. The completed warranty card is not presented to the service personnel at the time of repair.
3. The product is not purchased from an Authorized Cello Dealer.
4. The product is not intended, used and maintained according to instructions given in the instruction manual.
5. Repairs caused by negligence use as determined by the company personnel.
6. Installation / repair work is carried out by person(s) other than Authorized by the Company.
7. The original retail receipt is missing, obtained or altered from the company.
8. The warranty does not apply to:
 - Power switches, body and electrical parts, glass parts, burners, electrical parts, rubber gasket parts, and wire, push buttons & hard and suitable parts etc. shift parts, soap lids.
 - Normal wear and tear of parts.
 - Damages resulting from accidents, mishandling, improper use or negligence on the part of customer and fluctuation in supply voltage.
 - External conditions attributed to the soil.

Cello Manufacturer shall be liable to replace the repair appliances or accessories under the terms of warranty, when:

- The fault has been caused or is attributable to negligence / neglect or use contrary to instructions given in the accompanying instruction manual or when the fault has been caused by improper use or supply current.
- Persons other than our authorized Customer's Care staff have repaired repairs.

Where the appliance has been used for commercial or non-domestic use, or is not used in accordance with the instructions.
