Get Started

Screw Ella in and turn on the light switch.

Ella will start flashing quickly.

If Ella is not flashing quickly, please follow instructions on page 16 to reset the bulb

What do the flashing lights mean?

Quick Flashing

Ready to connect via WIFI Mode

Slow Flashing

Ready to connect via AP Mode

Download App

Download the “Clan at home” App on the iOS App Store or Google Play Store.

Register

Step 1

Open the app then select Register

Register

United Kingdom +44

07463 569 176

Continue

Step 2

Enter your mobile phone number
or email address

**Please ensure you enter your full
phone number including "0"**

Add Ella - using WIFI Mode

Step 1

In My Home, click the (+) icon in the top right-hand corner of the screen

Step 2

Select Lighting Devices

Add Ella - using WIFI Mode

Power on the device and confirm that indicator light rapidly blinks

[View Help](#)

Confirm indicator rapidly blink

Step 3

Make sure the bulb is flashing white quickly. (If it is not flashing, see the reset instructions on page 16)

Select Confirm indicator rapidly blink

Enter Wi-Fi Password

Please note: most Wi-Fi routers provide 2.4GHz and 5GHz frequency channels. This app will only work on 2.4GHz frequency and will usually be automatically selected. If you have difficulty in connecting to your Wi-Fi, please check with your broadband provider.

Your WIFI

[Change Network](#)

Confirm

Step 4

Enter your WiFi router password

Then press Confirm

Add Ella - using WIFI Mode

Connecting Now

Ensure that your Phone and Device are as close to your WIFI router as possible.

- Searching for Device
