ASSEMBLY

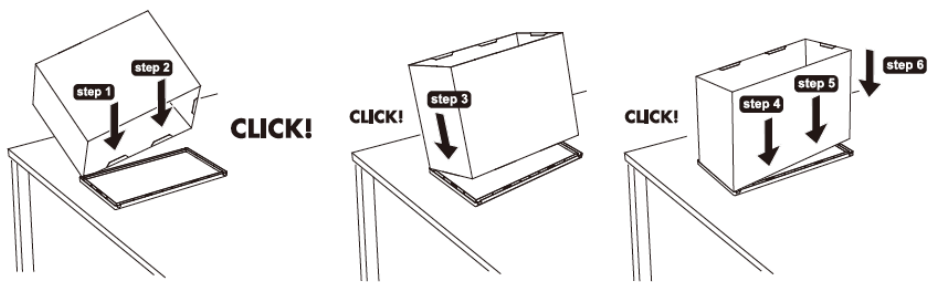

Step 1: Open up the middle section.

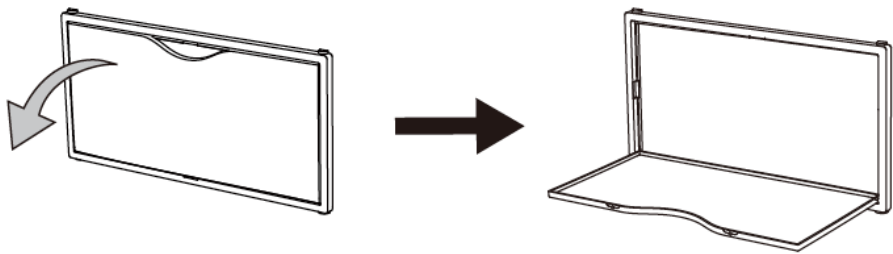

Step 2: Fold the 12 tabs inwards.

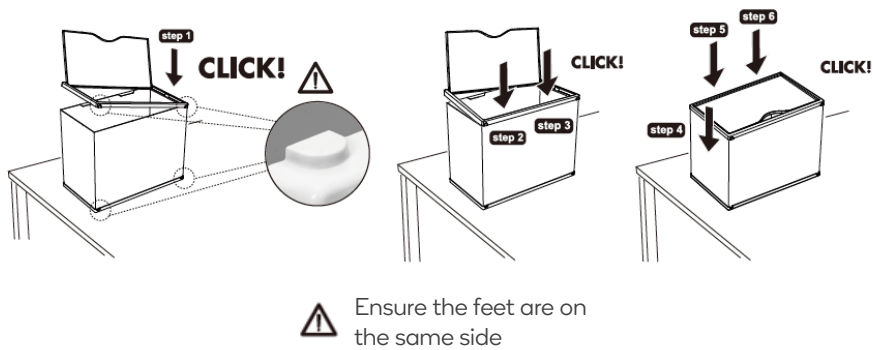

Step 3: Attach the side panel to the middle section ensuring the edges align with the slots in the panel. The panel will ‘click’ into place when it is properly attached.

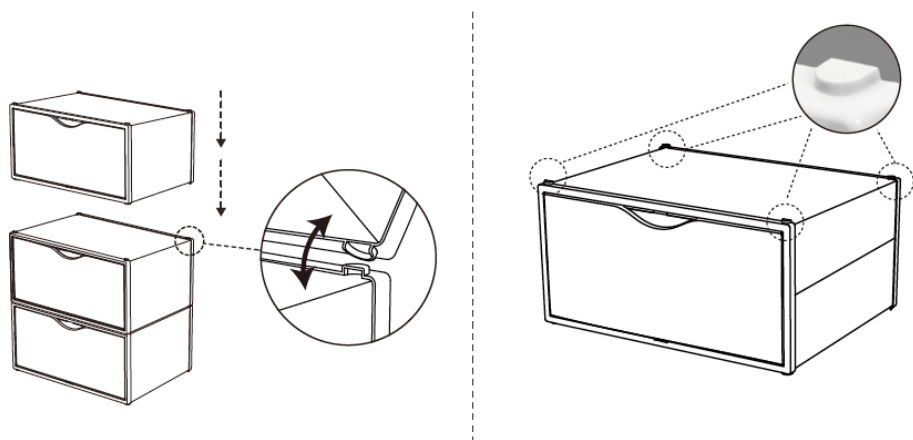

Step 4: Open the door on the side drop panel.

Step 5: Attach the front panel to the middle section ensuring the edges align with the slots on the panel. The panel will ‘click’ into place when it is properly attached.

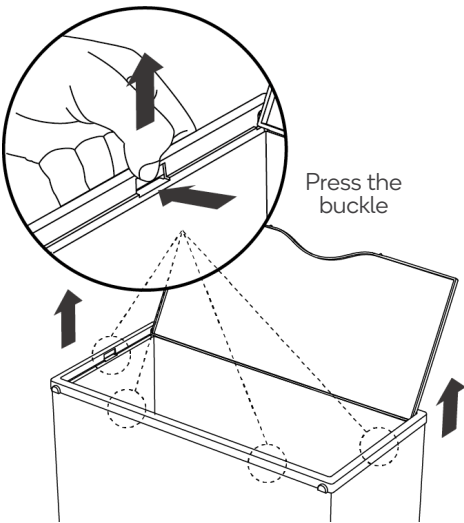

Step 6: In order to stack boxes stably, the small plastic feet on the edges of the front and door frame should be facing upwards.

Step 7: To dismantle the boxes, press the buckle and pull the panels away from the middle section.
