**MODEL
GGSPFS14TB**

SÔLT

Pedestal Fan

Getting Started...

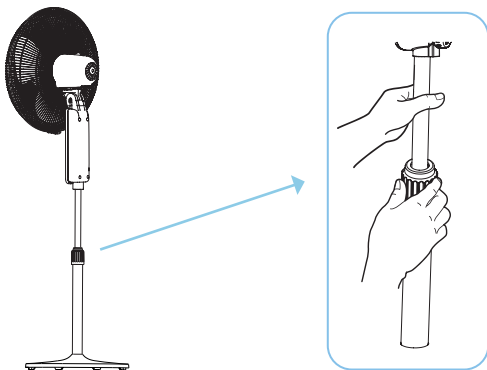

Control Panel

The wind speed of the fan is controlled using the Control Panel buttons on the front of the fan.

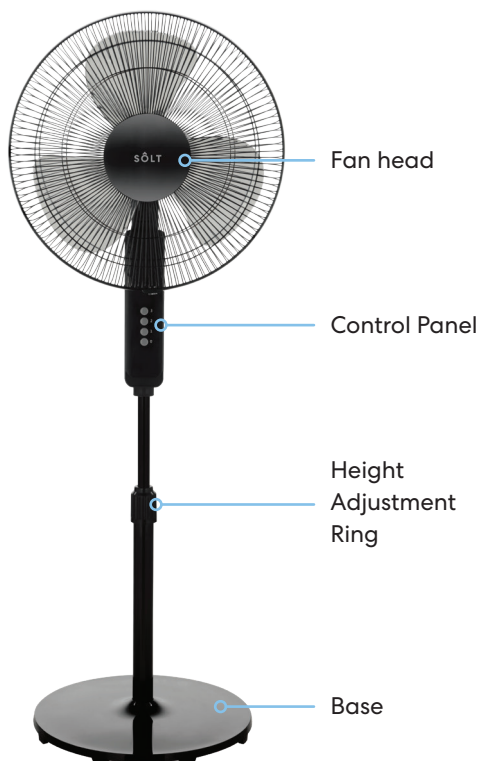

- 3:** High
- 2:** Medium
- 1:** Low
- 0:** Off

Adjusting the Fan Height

The height of the fan can be adjusted by loosening the Height Adjustment Ring carefully then raising or lowering the fan and firmly re-tightening the Height Adjustment Ring.
