SAFETY PRECAUTIONS

- Keep the adapter out of the reach of children.
- The adapter is not a voltage converter.
- The input voltage for the device to be connected must match the voltage of the local mains power supply.
- The adapter is only intended for short-term use and should be disconnected from the mains after use.
- Never use the adapter if the casing is damaged.
- Never expose the adapter to liquids or moisture.

- Improper use of the adapter will invalidate the manufacturer's warranty. No liability is accepted for damages.
