INTENDED USE

FITTING INSTRUCTIONS

The Scooter Cover can easily be slipped on and off as necessary; the opening is elasticated for a secure fit:

- ***NB. Please dispose of all packaging safely***
- Starting at either the front or back end of the scooter, drape the Scooter Cover over the entire scooter, ensuring that the elasticated opening of the cover is around and below the scooter as much as possible all around.
- ***NB. Before fitting the Scooter Cover you must ensure that the scooter is switched off and any secondary brake is applied, as necessary. The Scooter Cover must not be used while the Scooter is in use.***

CLEANING

Clean your Scooter Cover using a mild detergent with a slightly damp, soft cloth only. Only use a mild detergent or disinfectant; never use an abrasive cleaner.

The Scooter Cover can be cleaned in a washing machine at a low temperature, ideally on a wool or delicates setting.

After cleaning, hang the Cover somewhere warm and dry to air. Do not leave in direct contact with a heat source and do not put in a tumble dryer.
