

# Downdraft Range Hood, 36", Telescopic

Series 7 | Professional

Stainless Steel

- Perfectly hidden away behind your cooktop, this 36" downdraft range hood can be raised while cooking, for efficient extraction.
- Seamlessly integrates into your kitchen, sliding up from your cooktop when you cook
  - Raises to 14" height for better steam, grease and odor-capture efficiency
  - Pair with our remote 1200CFM or our internal 600CFM blower for quiet and effective extraction

## DIMENSIONS

|        |                  |
|--------|------------------|
| Height | 28 1/4 - 42 1/4" |
| Width  | 36"              |
| Depth  | 2 1/8"           |

## FEATURES & BENEFITS

- Quiet and effective**  
The downdraft system quickly and quietly extracts unwanted grease, smoke and odors through stainless steel mesh filters.
- Simple Controls**  
A single on/off button makes the downdraft system easy to use. A slider control lets you precisely adjust the fan speed up or down.
- Easy cleaning**

Filters effectively trap grease particles during extraction. They are easy to remove and dishwasher safe, or can be cleaned by hand in hot soapy water.

**Complementary Design**  
When not in use, the downdraft system slides away into your countertop eliminating the need for a bulky overhead ventilation hood. The stainless steel finish is designed to match the rest of the Fisher & Paykel kitchen appliance family.

## SPECIFICATIONS

|                                  |                          |
