

Trailer Buying Guide

WHAT YOU NEED TO KNOW BEFORE PICKING UP YOUR TRAILER

- Before pickup, please check your local and state code regulations for specific details.
- Additional paperwork is required at the time of pickup by the registered owner.
- Allow additional time at your local store during your pickup experience.

Registering your trailer

In most states, the process for registering a trailer is similar to registering a vehicle: When you buy a trailer from Lowe's, you receive the title, and then need to register it with your state—likely through the DMV. The process for completing registration varies from state to state, so check your local laws and regulations for more specifics.
