 WARNING

IMPORTANT - It is essential that the intended site for this trampoline is completely flat and level. If the ground is un-level this will cause movement in the frame and could cause stress on the joined sections.

The recommended safe play area is 200cm (2 meters) beyond the trampoline on all sides and 800cm (8metres) above the top. There must be no obstacles within the play area

The safe play area must be on level ground, free from all structures, landscaping, trees and branches, rocks, wires, sprinkler heads and other obstacles. Children can be seriously injured running or colliding into such obstacles.
