User Manual

INTRODUCTION

The Table Top Disco is all you need to get the party started. It moves on its own and doesn't need your help getting jiggy! The motor inside is powered by the AA batteries and will keep going as long as they do. The RGB spectrum will appear above your head and will make a laser-like show for you and your party!

PACKAGE CONTENTS

1x Table Top Disco

HOW TO USE

Constructing the Light

- 1) Take Disco out of box
- 2) Flip over and use screwdriver to open hatch
- 3) Place batteries inside and screw hatch back on
- 4) Turn it on and watch it go !
