

Gas Rangetop, 36"

Series 9 | Professional

Stainless Steel | Natural gas

- Cook with the power and precision of a professional, with this large cooking space that includes six gas burners.
- Your burners can deliver anything from very high 23,500 BTU heat for seriously fast boiling, to the most gentle flame for simmering
 - Continuous surface grates designed for pots and pans to move safely across the cooktop

DIMENSIONS

Height	8 5/16"
Width	35 7/8"
Depth	28"

FEATURES & BENEFITS

- Perfect heat**
Sealed Dual Flow Burners™ deliver rangetop power up to 19,000 BTU for seriously fast boiling right down to a precise 140°F full surface simmer with the gentlest of flames.
- Precise Control**
From the highest to the lowest temperatures you get total control with halo-illuminated rangetop dials. A precise full surface simmer is delivered across all burners.

- Cooking flexibility**
The continuous surface grates are designed for pots and pans to move safely across the rangetop. Full coverage, deep-platform style grates are designed so heat goes directly onto the pot rather than the grates themselves, for a faster boil and energy efficiency.
- Easy cleaning**
These cooktops have sealed burners and a single sheet cooking surface which, combined with a commercial-style stainless steel finish and dishwasher-safe grates, allow easy cleaning.

- Information at a glance**
LED halo control dials provide information at a glance and assist in alerting you if any burners are accidentally left on.
- Complementary Design**
Built to last with distinctive, bold styling, this rangetop is designed to match the Fisher & Paykel Professional style family of appliances.
