TOTALCLEAN
PERSONAL AIR SANITIZER

INSTRUCTION MANUAL AND WARRANTY INFORMATION

3-YEAR LIMITED WARRANTY

AP-P20

IMPORTANT SAFETY INSTRUCTIONS:

WHEN USING ELECTRICAL PRODUCTS, ESPECIALLY WHEN CHILDREN ARE PRESENT, BASIC SAFETY PRECAUTIONS SHOULD ALWAYS BE FOLLOWED, INCLUDING THE FOLLOWING:

READ ALL INSTRUCTIONS BEFORE USING.

DANGER – TO REDUCE THE RISK OF ELECTRIC SHOCK.

- Always unplug the personal air sanitizer from the electrical outlet immediately after using and before cleaning.
- Always place the personal air sanitizer at least three (3) feet from heat sources such as stoves, radiators, or heaters.
- DO NOT reach for an appliance that has fallen into water.
- DO NOT place in or drop into water or other liquid.
- Check your personal air sanitizer plug connections. Faulty wall outlet connections or loose plugs can cause the outlet or plug to overheat. Be sure the plug fits tightly in the outlet.

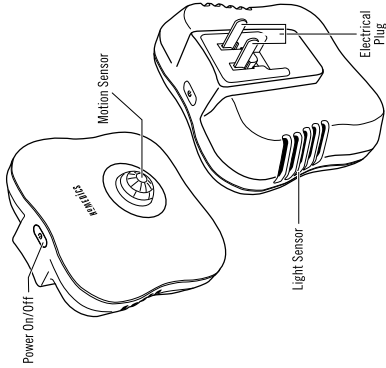

This product complies with the maximum allowable concentration of ozone of 0.050 parts per million by volume (ppmv) in a 24-hour period. The Health Canada Guideline 2010 recommends that the maximum exposure limit, based on an averaging time of 8 hours, is 0.020 ppmv or less when tested in a sealed, controlled room approximately 30 m³.

WARNING – TO REDUCE THE RISK OF BURNS, FIRE, ELECTRIC SHOCK, OR INJURY TO PERSONS:

- Always unplug the personal air sanitizer when not in use.
- DO NOT operate the personal air sanitizer with a damaged plug, or after the personal air sanitizer malfunctions, or has been dropped or damaged in any manner. Return to HOMEDICS Consumer Relations for examination, electrical or mechanical adjustment, or repair.
- To disconnect the personal air sanitizer, first turn controls to the off position, then remove from outlet.
- DO NOT insert or allow foreign objects to enter any ventilation or exhaust opening as this may cause an electric shock or fire, or damage the personal air sanitizer.
- DO NOT block air intakes or exhaust in any manner. Do not use where openings may become blocked.
- Use this personal air sanitizer only for its intended use as described in this manual. Any other use not recommended by the manufacturer may cause fire, electric shock, or injury to persons.
- DO NOT use outdoors.
- This product is intended for household use only.

SAVE THESE IMPORTANT INSTRUCTIONS FOR EASY REFERENCE

TOTALCLEAN® PERSONAL AIR SANITIZER

UNIQUE FEATURES & SPECIFICATIONS

PERSONAL SPACE

This product is designed for small spaces such as bathrooms, laundry rooms, kitchens, and bedrooms

UV-C LIGHT

UV-C technology kills bacteria, germs, and viruses

REDUCES ODORS

Photo-catalyst and plasma ions combine to reduce bathroom, diaper pail, dirty laundry, smoke, and pet odors as shown by independent laboratory testing

2 OPERATING MODES

Auto mode or continuous on mode

3 NIGHT-LIGHT BRIGHTNESS LEVELS

Choose from low, medium, high, or off

NO FILTERS TO CLEAN OR REPLACE

HOW TO USE

Plug into a standard household electrical outlet. The power button functions as follows: First press, auto mode. Second press, continuous mode. Third press, off.

- Auto Mode (blue light)** – Press the power button once to enter auto mode. The power light will glow blue. The sterilization process will operate for 1 hour and the night-light will operate for 5 minutes and turn off. Subsequently, when the motion sensor detects human motion, the sterilization process will operate for 1 hour and the night-light will activate based on low light conditions for 5 minutes and turn off unless the night-light is set to off.
- Continuous Mode (green light)** – Press the power button twice to enter continuous mode. The power light will glow green. The sterilization process is always on and the night-light will operate for 5 minutes and turn off. Subsequently, when the motion sensor detects human motion, the night-light will activate based on low light conditions for 5 minutes and turn off unless the night-light is set to off.
- Press the power button a third time to turn the product off. The power light will turn off. The night-light will not operate.

ADJUSTING THE NIGHT-LIGHT BRIGHTNESS

The night-light has 3 brightness levels. While the product is on, press and hold the power button for 2 seconds. The night-light brightness will cycle through the low, medium, high, or off settings. Release the power button at the desired brightness to select your brightness setting.

Repeat the process to select a different night-light setting. The cycle will start from the previous setting unless the product is unplugged. If unplugged, it will start cycling from the low setting.

CLEANING AND MAINTENANCE

FOR BEST PERFORMANCE, WE RECOMMEND:

- Clean the outside of the unit with a dry cloth as needed.
- NEVER use water, wax, polish, or any chemical solution to clean the outside of the unit.
- Clean the dust vent openings with a damp cloth or the brush attachment of your vacuum as needed.

TROUBLESHOOTING

PROBLEM	POSSIBLE CAUSE	SOLUTION
Unit will not operate	- Unit is not plugged in - Unit is not turned on - No power at unit	- Plug unit in - Press the power button to turn the power on - Check circuits, fuses; try a different outlet
Night-light does not work	Night-light setting set to off	Reset night-light setting

3-YEAR LIMITED WARRANTY

HOMEDICS sells its products with the intent that they are free of defects in manufacture and workmanship for a period of 3 years from the date of purchase. This warranty covers defects in materials and workmanship under normal use and service. This warranty extends only to consumers and does not extend to Retailers.

To obtain warranty service on your HOMEDICS product, contact a Consumer Relations representative for assistance. Please make sure to have the model number of the product available.

HOMEDICS does not authorize anyone, including, but not limited to, Retailers, the subsequent consumer purchaser of the product from a Retailer or remote purchaser, to obligate HOMEDICS in any way beyond the terms set forth herein. This warranty does not cover damage caused by misuse or abuse, accident, the attachment of any unauthorized accessory, alteration to the product, or damage to the product caused by fire, flood, theft, vandalism, or environmental conditions, loss of use during the period the product is at a repair facility or otherwise awaiting parts or repair, or any other conditions whatsoever that are beyond the control of HOMEDICS.

This warranty is effective only if the product is purchased and operated in the country in which the product is purchased. A product purchased in one country and operated in another country is not covered under this warranty.

This warranty is void if the product is repaired, modified, altered, or replaced by anyone other than HOMEDICS or its authorized manufacturer, approved, and/or authorized, or repair of products repaired by these modifications is not covered under this warranty. THE WARRANTY PROVIDED HEREIN SHALL BE THE SOLE AND EXCLUSIVE WARRANTY. THERE SHALL BE NO OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS OR ANY OTHER OBLIGATION ON THE PART OF THE COMPANY WITH RESPECT TO PRODUCTS COVERED BY THIS WARRANTY. HOMEDICS SHALL HAVE NO LIABILITY FOR ANY INCIDENTAL, CONSEQUENTIAL, OR SPECIAL DAMAGES. IN NO EVENT SHALL THIS WARRANTY REQUIRE MORE THAN THE REPAIR OR REPLACEMENT OF THE DEFECTIVE PRODUCT. THIS WARRANTY DOES NOT COVER THE REPAIR OR REPLACEMENT OF THE DEFECTIVE PRODUCT. NO REFUNDS WILL BE GIVEN. IF REPLACEMENT PARTS FOR DEFECTIVE MATERIALS ARE NOT AVAILABLE, HOMEDICS RESERVES THE RIGHT TO MAKE PRODUCT SUBSTITUTIONS IN LIEU OF REPAIR OR REPLACEMENT.

This warranty does not extend to the purchase of opened, used, repaired, repackaged and/or resold products, including but not limited to sale of such products on internet auction sites and/or sales of such products by surplus or bulk resellers. Any and all claims or disputes, without the prior written consent and without limitation of HOMEDICS, shall be resolved by arbitration, either in person or by written submission, without the prior written consent and without limitation of HOMEDICS.

This warranty provides you with specific legal rights. You may have additional rights which may vary from state to state and country to country. Because of individual state and country regulations, some of the above limitations and exclusions may not apply to you. TOTALCLEAN®
PURIFICATEUR AIR INDIVIDUEL

MODE D'EMPLOI ET INFORMATIONS SUR LA GARANTIE

GARANTIE LIMITÉE DE 3 ANS

AP-P20

INSTRUCTIONS DE SÉCURITÉ IMPORTANTES :

LORS DE L'UTILISATION DE PRODUITS ÉLECTRIQUES, EN PARTICULIER LORSQUE DES ENFANTS SONT PRÉSENTS, DES MESURES DE SÉCURITÉ DE BASE DOIVENT TOUJOURS ÊTRE SUIVIES, DONT LES SUIVANTES :

LIRE TOUTES LES INSTRUCTIONS AVANT L'UTILISATION.

DANGER – POUR RÉDUIRE LE RISQUE DE CHOC ÉLECTRIQUE :

- Toujours débrancher le purificateur d'air individuel de la prise électrique immédiatement après son utilisation et avant de le nettoyer.
- Toujours placer le purificateur d'air individuel à au moins 3 pieds des sources de chaleur telles que radiateurs, poêles ou appareils de chauffage.

- NE PAS toucher un appareil qui est tombé dans l'eau
- NE PAS placer ou ranger l'appareil à un endroit d'où il pourrait chuter ou tomber dans un évier ou une baignoire.
- NE PAS placer ou immerger l'appareil dans de l'eau ou un autre liquide.

- Contrôler les connexions de l'appareil. Des connexions murales défectueuses ou des fiches desserrées peuvent provoquer une surchauffe de la prise ou de la fiche. S'assurer que la fiche est fermement insérée dans la prise.

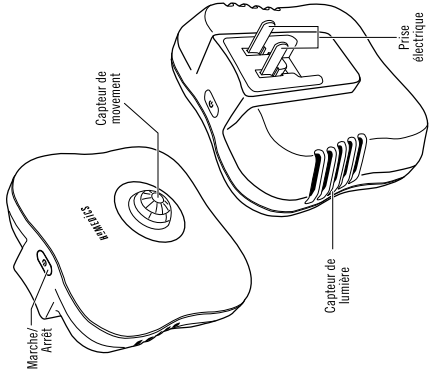

Ce produit est conforme avec la concentration maximale permise d'ozone de 0,050 parties par million par volume (ppmv) pendant une période de 24 heures. La Ligne directrice (2010) de Santé Canada recommande un niveau maximal d'exposition, basé sur un moyen de 8 heures, soit 0,020 ppmv ou moins dans une chambre de tests échantillonnée et contrôlée de 30 m³.

AVERTISSEMENT – POUR RÉDUIRE LE RISQUE DE BRÛLURES, D'ÉLECTROCUTION, D'INCENDIE OU DE BLESSURES:

- Toujours débrancher le purificateur d'air lorsqu'il n'est pas utilisé.
- NE PAS utiliser l'assainisseur d'air personnel avec une fiche endommagée, ni après un dysfonctionnement de l'assainisseur d'air personnel, ni s'il est tombé ou a été endommagé de quelque manière que ce soit. Retourner l'appareil au Service à la clientèle de HOMEDICS pour qu'il soit examiné et pour toute réparation ou tout réglage électrique ou mécanique.
- Pour débrancher l'appareil, mettre d'abord toutes les commandes sur la position « Arrêt », puis retirer la fiche de la prise électrique.
- NE PAS insérer ni permettre à des objets étrangers d'entrer dans un orifice de ventilation ou d'échappement, car cela pourrait provoquer un choc électrique ou un incendie et endommager le purificateur d'air.
- NE PAS bloquer les entrées d'air et les orifices d'échappement de quelque manière que ce soit. Ne pas utiliser l'appareil si des événements pourraient être bloqués.
- Ce purificateur d'air ne doit être utilisé qu'aux fins décrites dans ce manuel. Toute autre utilisation non recommandée par le fabricant peut provoquer un incendie, un choc électrique ou des blessures.
- NE PAS utiliser à l'extérieur.
- Ce produit est réservé à un usage résidentiel.

CONSERVER CES INSTRUCTIONS À PORTÉE DE MAIN.

ASSAINISSEUR D'AIR PERSONNEL TOTALCLEAN®

CARACTÉRISTIQUES ET FONCTIONNALITÉS UNIQUES

ESPACE PERSONNEL

Ce produit est conçu pour les petits espaces, tels que les salles de bain, les buanderies, les cuisines et les chambres à coucher

LUMIÈRE UV-C

La technologie UV-C élimine les bactéries, les microbes et les virus

RÉDUIT LES ODEURS

Le photocatalyseur et les ions plasmatiques se combinent pour réduire les odeurs de salle de bain, du seau à couches, de linge sale, de fumée et des animaux de compagnie, tel que démontre un laboratoire indépendant

2 MODES DE FONCTIONNEMENT

Mode automatique ou mode de marche continu
