FEATURES & BENEFITS

- ActiveSmart™ Foodcare**
This refrigerator freezer adapts to daily use by cooling and defrosting only when needed. ActiveSmart™ Foodcare technology uses energy efficiently without compromising on food care.
- Flexible storage**
Adjustable shelves and door storage give you plenty of room to stack and pack all your groceries. Storage bins give you full

access inside when they're pulled open and can be easily removed to clean.

Humidity Control
Your fruit and veges need different environments to stay fresh. Humidity control in each storage bin allows you to maintain a microclimate that helps keep food fresher for longer.

Design quality
Our fridges are designed and built using quality materials. We use real stainless steel on our fridges and solid glass for shelving.

Internal ice maker
Fresh ice is always available for you in a dedicated freezer bin. Simply turn it off to free up freezer space or during busy times, you can boost ice production by up to 30%.

Easy cleaning
Spill-safe secure glass shelves easily capture any drips or leaks and prevent them from falling on items below.

Easy to use
The SmartTouch control panel has been designed to be intuitive for ease to use, and is conveniently placed near the front of the fridge.
