ASSEMBLY INSTRUCTIONS / INSTRUCTIONS FOR USE:

Unpack the components carefully. Please check all parts have been removed from the packaging.

- Ensure the hair is clean before use.
- To change cutting length: Slide the central button (B) to setting 1, 2 or 3.
- Use it as a comb with slow careful movements and without applying any pressure following the natural direction of the hair. Repeat a few times before you have a regular length.
- **You can change the blade by pulling up the comb part (A). You can now carefully change the blade by using the blade button (C).**
- Setting 1: to thin out hair (teeth of comb long – wider blade)
- Setting 2: average length (blade at mid-height) for even length on shorter haircut.
- Setting 3: Teeth of comb short (closer blade) to cut around ears and neck.

**WARNING!**

- Handle with care as the blades are very sharp.
- This product is designed for use by Adults. Not for use by persons under 18 years of age.
