

Dual Fuel Range, 48", 4 Burners, 4 Induction Zones, Self-cleaning, LPG

Series 11 | Professional

Stainless Steel | LPG

With both induction and gas cooktops and two convection ovens, you're ready to create a feast – guided by an intuitive touchscreen.

- Guided cooking using your touchscreen makes it simple to cook by food, function or recipe.
- Top burner heat of 19,000 BTU, for seriously fast boiling
- Four induction cooking zones, which can be paired to form two SmartZones

- 6.9 cu ft total oven capacity across two oven cavities

DIMENSIONS

Height	35 3/4 - 36 3/4"
Width	47 7/8"
Depth	29 1/8"

FEATURES & BENEFITS

Cook with confidence

Our touchscreen interface provides an intuitive guided cooking experience that helps deliver perfect results, whether you've been cooking all your life or just starting out. Cook with a favorite method, a hero ingredient, or a go-to cooking function or recipe. The screen tilts for improved ergonomics and optimal visibility while cooking.

Generous capacity

Two independently operating cavities provide a large total capacity of 4.8 cu. ft. in the main cavity and 2.1 cu. ft. in the secondary. That's enough room for a 32 lb turkey in one oven, and your sides in the other.

Cooking flexibility

No matter what you're cooking, you've got the right heat to get perfect results. Each of the 15 oven functions in the main cavity and 11 in the secondary have been extensively researched and carefully designed to cater to a broad range of dishes and cooking styles. The handy food probe helps you monitor your progress.

Cooktop power

On the gas side of the cooktop, Sealed dual flow burners deliver power up to 19,000 BTU, while the induction side delivers up to 3700W. This finely tuned cooktop provides instant and immediate control from the highest heat to the most gentle simmer.

Design quality

This range has craftsmanship in every detail, with real stainless steel, cast-iron trivets, and beautifully weighted, halo illuminated dials. Each cavity features incandescent lights and full extension telescopic racks. From the robust legs to the powerful cooktop, this Range is built to last.

Easy to clean

The oven features a self-cleaning function and self-clean proof side racks, which don't need to be removed when using this function. The induction zones only need a quick wipe after use to keep them clean.

SPECIFICATIONS

Accessories

- Adjustable feet covers
- Branded coin end cap

Square handle option	AH-R48
