

Front Load Washer, 2.4 cu ft

Series 5 | Front Load

White

A compact washer with multiple cycles including Sanitize, plus a Quick 30 minute cycle to save you precious time

- 13 wash cycles including Sanitize, Sports and Wool wash
- 1400 RPM spin speed means more water is extracted from your items, resulting in a shorter dry cycle
- Energy Star certified

DIMENSIONS

Height	33 1/4 - 33 5/8"
Width	23 7/16"
Depth	25 3/8"

FEATURES & BENEFITS

SmartDrive(TM) technology

SmartDrive™ Technology is a gentle, quiet, and efficient combination of smart electronics and a direct drive motor that senses the load to deliver better fabric care.

Large capacity

This Fisher & Paykel compact washer can wash up to 2.4 cubic feet per cycle, reducing the number of times you have to run your machine and saving precious time.

Add a Garment

The Add a Garment feature allows you to quickly add or remove any size garment mid cycle. Simply press the Add a Garment button and the door will unlock. If the drum water is too high, just enough will be drained out before the door is unlocked.

13 fabric care cycles

13 wash cycles are available to cater for every type of wash that your household will require including Handwash, Sports and Sanitize cycles.

Energy star certified

Our SmartDrive™ Front Loaders are Energy Star certified, making them some of the most efficient front loaders on the market.

Sanitize wash

A cycle designed to provide extra security – the wash temperature reaches a heat that kills any additional bacteria hanging around.
