JA71-TR131 1.31 in High - Tray Mount Blanking Plate

SECTION 1 - DESCRIPTION

1.1 System Overview

The JA71-TR131 1.31 in High Tray Mount Blanking Plate (Radio Cover Plate) allows the aircraft owner / operator to remove a piece of radio equipment from the cockpit and fill the void with a compatible sized cover plate. The blanking plate reduces the amount of debris and dust entering the equipment rack. Matching the design and color to existing control heads presents the customer with a professional look and feel to the instrument panel.

1.2 Features Overview

The JA71 is painted with a baked-on urethane finish to resist scratches and nicks during use.

1.3 Specifications

1.3.1 Mechanical Specifications

Height	1.31 in [41.1 mm] maximum
Depth	1.83 in [46.5 mm] maximum
Width	6.31 in [160.3 mm] maximum
Weight	0.27 lb [0.12 kg] maximum
Material	6061-T6XX aluminum
Finish	Flat urethane paint finish
Mounting	4 x 6-32 fasteners

SECTION 2 – INSTALLATION

2.1 Introduction

This section contains unpacking and inspection procedures and installation information.

2.2 Continued Airworthiness

Maintenance of the JA71-TR131 is on condition only. Scheduled inspection and/or periodic maintenance of this unit is not required.

2.3 Unpacking and Inspecting Equipment

Unpack the equipment carefully. Check for shipping damage and report any problems to the relevant carrier. Confirm that the Authorized Release Certificate or Certificate of Conformance is included. Complete the on-line warranty card from the Jupiter Avionics Corporation (JAC) website – www.jupiteravionics.com.

2.3.1 Warranty

All products manufactured by JAC are warranted to be free of defects in workmanship or performance for 2 years from the date of installation by an approved JAC dealer or agency. This warranty covers the cost of all materials and labour to repair or replace the unit, but does not include the cost of transporting the defective unit to and from JAC or its designated warranty repair centre, or of removing and replacing the defective unit in the aircraft. This warranty does not cover failures due to abuse, misuse, accident, or unauthorized alteration or repairs.

Contact JAC for return authorization, and for any questions regarding this warranty and how it applies to your unit(s). JAC is the final arbiter concerning warranty issues.

2.4 Installation Procedures

2.4.1 Mechanical Installation

The JA71-TR131 can be mounted in any attitude and location. Ensure all fasteners are secured.

2.5 Installation Kit

N/A

2.6 Installation Drawings

The drawings and documents required for installation can be found in [Appendix A](#) of this manual.
