

KILLS MICE

PROTECTING YOUR HOME
AND FAMILY FROM MICE
JUST GOT EASIER!

TREATMENT TIPS

- For best results, place 2 traps 5–10 ft apart.
- Target areas with high mice activity such as: near refrigerators, stoves, pantries, between washers and dryers, or along baseboards.
- Limit all other competitive food sources in your home. Store food in sealed containers, including dog and bird food.

MOUSE PREVENTION TIPS

- Mice venture into your home to find food and heat. Stop invasions before they happen by following these handy tips:
- Cover all openings into your home. Ensure stove and dryer vents are tightly sealed.
 - Keep garbage can lids tightly closed.

NOW MORE EFFECTIVE*

Tomcat® Kill & Contain® Mouse Trap is the easy-to-use and effective way to eliminate mice. The exclusive design kills and contains the mouse, so you never have to see or touch a dead mouse again!

HOW TO USE

Open bait door located on back of trap. Apply a small amount of Tomcat® Attractant Gel (sold separately) or peanut butter. Close bait door.

Place trap where you see or suspect mice activity.

Set trap by pressing the set arm located on side of trap.

Check trap frequently and refill bait as needed. When easy-view indicator is pointing to "Mouse Caught", use convenient grab tab to dispose of entire trap.

If trap is accidentally triggered, the easy-view indicator will point to "Not Set". Re-set the trap and place where you see mouse activity.

Keep out of reach of kids & pets. This trap is intended for single use only. Immediately dispose of entire trap.
