SOUND 2
VOLUME DOWN 3
VOLUME UP 4

4 SOOTHING SOUNDS INTEGRATED CLIP AUTO-OFF TIMER USES 3 AAA BATTERIES (NOT INCLUDED)

HOW TO INSTALL BATTERIES:

Make sure the unit is turned OFF.

Locate the battery cover. Use a coin to loosen the screw.

Remove the battery compartment door and the exhausted batteries (if applicable).

Install 3 new AAA batteries, following the diagram inside the battery compartment.

Replace the battery compartment door and tighten the screw to secure.

NOTE: We recommend using alkaline batteries for longer battery life.

NOTE: When sounds become faint or stop, it is time to change the batteries.

LISTENING TO THE SOUNDS:

Press and hold the sound button  for 2 seconds to turn ON.

Press the sound button  again to switch sounds and select the one you wish to listen to.

NOTE: When the unit is turned on, it will always default to the last sound used.

To adjust the volume, press the + button or - button to your desired level.

Press and hold the sound button  for 2 seconds to turn OFF.

USING THE AUTO TIMER:

When the power is on and you are listening to a sound, you may set the timer so that the unit will automatically turn off after 30 minutes.

Press timer button . The LED timer indicator will illuminate.
