

Integrated CoolDrawer™ Multi-temperature Drawer

Series 9 | Integrated

Panel Ready

Use your CoolDrawer™ as a fridge, pantry or freezer with the push of a button. Customise with cabinetry or a stainless steel panel.

- Variable Temperature Zone lets you change between five different food modes – fridge, freezer, pantry, chill and wine
- Customise with your own kitchen cabinetry or purchase our stainless steel door panel accessory

DIMENSIONS

Height	640mm
Width	855mm
Depth	557mm

FEATURES & BENEFITS

Fridge

The ideal storage for most foods such as fruit, vegetables, dairy products and drinks. The compact upper storage tray is a perfect place for sensitive foods while the tall bin is ideal for large bottles and containers.

Pantry

Designed for foods that require a cool, dark place for storage, such as tropical fruits, tomatoes and cereals.

Freezer

Ideal for general frozen food storage with the added flexibility of three freezer functions - bottle chill, fast freeze and deep freeze. Freezer mode is set at -18°C for longer term storage of frozen items.

Wine

Wine Mode is ideal for long term storage of all wine at 12°C, or short term storage at 7°C for white wine and 15°C for red wine.

Chill

Chill Mode sets the compartment to a temperature ideal for highly perishable meats, poultry and seafood. Chill Mode sets the compartment at -0.5°C, just above the freezing temperature for meat.
