SPECIFICATIONS

Working Current	≤ 3.0 mA	Working Voltage	3.0~4.2 V
Low Voltage Alert	3.0~3.3 V	Working Time	>70 Hours
Battery Standby Time	150 Days	Sleeping Current	<0.3mAh
Battery Lifetime	approx 7 days based on use	Battery Capacity	≤180 mA
Charging Port	Micro USB	Keyboard Lifetime	3 Million Strokes
Charging Time	2~3 Hours	Connect Distance	≤10 m
Awaken Time	≤ 2 Seconds	Charging Current	≤ 200 mA
Working Temperature	-10°C~55°C	Matching Password	Random

INDICATOR LIGHT

Caps Indicator Light:	Light on means uppercase input, light off means lowercase input.		
Wireless Indicator Light:	Press "Fn + C". A slow blinking blue light will indicate the device is in bluetooth pairing mode. The light will turn off once connected.		
Charging Indicator Light:	1. Blinking - Low Battery (red)	2. Device is Charging (red)	3. Charging Complete (green)

OPERATION INSTRUCTIONS

1. Press the ON/OFF button to power on the keyboard, then press “Fn + C” simultaneously to put the keyboard into Bluetooth pairing mode.
2. Search for and select KB-IPAD102 on the device you are connecting to. If a password is requested, check the screen of the device then type the password into the keyboard and press the “ENTER” key.
3. The keyboard should now be paired and ready to use.

COMMON CONNECTING PROBLEMS AND SOLUTIONS

1. Make sure you have turned on the power and the battery is charged.
2. Make sure the keyboard is within the effective working distance.
4. Make sure the keyboard has paired with a device via Bluetooth.

Please Note: This keyboard will go to sleep if no buttons are pressed within 10 minutes. Press any button to wake up.

TROUBLESHOOTING

Why doesn’t the blue LED light activate when I turn the power switch on?

Your keyboard has no battery power. Please charge the keyboard then try again.

Why is my device unable to find the keyboard in the Bluetooth search screen?

Press the “FN + C” buttons on the keyboard simultaneously to put the keyboard into pairing mode. You should see the status LED blinking blue.

I can see the keyboard listed after searching, but it says, “connection failed”.

Turn off the keyboard. Remove the keyboard from your paired devices, then try to re-pair.

When I attempt to pair the keyboard, my device asks for a passcode.

This is a security feature of your device. Your device should generate a passcode which you can type into the keyboard, then press the “ENTER” key to finish pairing.

Why can’t I type in other languages?

The language input setting is on your device. You will need to change this setting on your device’s keyboard language options.

SAFETY TIPS

- Do not place heavy objects on the keyboard
- Do not disassemble the product
- Keep the product away from oils, chemicals, and organic liquids
- Clean the keyboard with water, alcohol, or an alcohol-based disinfectant
- Dispose of battery according to local laws
- Keep away from sharp objects

STAND INSTRUCTION

WARRANTY AGAINST DEFECTS

Laser warrants your new product to be free from defects in materials and workmanship for 12 months, from the date of purchase, provided that the product is used in accordance with accompanying recommendations or instructions where provided. The benefit of this warranty is in addition to your rights under the Australian Consumer Law and to other rights and remedies of the consumer under a law in relation to the goods or services to which the warranty relates.

Through a network of retailers and resellers, Laser will provide you with your choice of a refund, repair, or exchange (where possible) for this product if it becomes defective within the warranty period. This warranty will no longer apply where the defect is a result of alteration, accident, misuse, abuse, normal wear and tear, neglect, or improper storage. Please retain your receipt as proof of purchase.

How to make a product warranty claim:

1. Find your receipt with date of purchase. If this is not available, Laser will make an assessment based on the date of manufacture, condition of the product and type of defect.
2. Please contact your original place of purchase. They will assess the nature of the fault and refund or replace the product as per their store refund or warranty policy.
3. If your original place of purchase cannot be contacted, please contact Laser with a description of the fault. To assist our team in providing you with a quick resolution, please include any photos and/or a short video demonstrating the fault with your product.
Phone: (02) 9870 3355
Email: support@laserco.com.au
Online: www.laserco.net/support/warranty and follow the website instructions
Business Address: U1 6-8 Byfield Street, Macquarie Park, 2113, NSW, Australia
4. Laser will review your claim and in the first instance, attempt to troubleshoot and resolve the issue for you without the need to return the product.
5. If it is determined via troubleshooting that your product may be faulty, our team will provide instructions to have the product returned for assessment. If the product does need to be returned within the warranty period, Laser will arrange return shipping at no cost to you.
6. Once we receive the product, our experienced technicians will assess it and determine how best to resolve the issue.

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.
