IMPORTANT ORDERING & INSTALLATION INFORMATION

- Before ordering or installing, please consider future access to equipment.
- Unless ordering Sculpted Finish on 4 sides, please include a diagram specifying which sides will need to be finished, along with location of optional tile flange(s).
- Drain is not included with this tub model.
- When ordering an air bath, the air blower must be remote mounted.
- Microbubbles system components must be installed on a non-Sculpted Finish side. Components will extend beyond the perimeter of the tub. Call MTI for specific details regarding the desired installation before placing the order.
- Radiance placed on floor locations will affect placement of air jets.
- Hydrotherapy equipment may ship loose for remote installation. See package content on the following page for details. Specifications and configurations are subject to change without notice.
- All tubs are compliant with ASTM C 1028-07 coefficient of friction. DoloMatte meets ANSI A137.1/A326.3 coefficient of friction and AS HB198:2014 slip tests.

• Options and accessories may be packaged inside the tub crate. Always check packaging before discarding.
• All product measurements are $\pm 1/2"$.
• Specifications and configurations are subject to change without notice.
• Measurements herein supersede all others published prior to publication date below.

Microbubbles system components must be installed on a non-Sculpted Finish® side.

Components will extend beyond the perimeter of the tub. Call MTI for specific details regarding the desired installation before placing order.

For more customized applications, additional hydrotherapies may possibly be integrated in Sculpted Finish® tubs, depending on the types of therapy and the installation application. Visit mtibaths.com or call MTI at 800.783.8827.
