-
- The diagram illustrates the three steps to insert a hearing aid:
- 1** Select the correct size (XS, S, M, L) from the box.
 - 2** Insert the hearing aid into the ear canal.
 - 3** Turn the hearing aid on using the volume control wheel.

-

- 
- A screenshot of a smartphone screen showing a Bluetooth menu. At the top is the Bluetooth logo. Below it, the text "Bluetooth menu" is displayed. Underneath that is the option "Add device". At the bottom of the menu, "CX Plus True Wireless" is listed in blue text. A large, faint circular arrow icon is visible in the background of the lower half of the screen.

- The image shows the Smart Control app interface on a smartphone screen. The screen displays the text "Smart Control" at the top, followed by a Sennheiser logo. Below the logo is a large blue curved shape. To the right of the phone screen, there is a search bar with a magnifying glass icon and the text "Sennheiser Smart Control". Below the search bar are two buttons: "Download on the App Store" with the Apple logo, and "GET IT ON Google Play" with the Google Play logo. Below these buttons is a QR code. At the bottom of the image is the URL "www.sennheiser.com/smartcontrol" in blue text.

- The diagram illustrates the battery status and recharging process. On the left, a legend shows three battery icons with corresponding status lights: a green light for a fully charged battery, a yellow light for a partially charged battery, and a red light for a low battery. A blue line connects the legend to the battery compartment on the right. The battery compartment is shown with its lid open, revealing two batteries. A large blue arrow indicates the recharging process, pointing from the batteries towards the top of the compartment.
