4. HOW TO USE THE POCKETRIG v3 ARM

1. Swing open the shoulder support arm as shown.
2. Loosen the tension adjustment wheel.
3. Extend the shoulder support arm and tighten the tension adjustment wheel.
4. Rotate the shoulder support until it stops moving.

A detailed video explaining how to use the PocketRIG v3 arm can be found at:
<http://edel.kr/prv3>

5. HOW TO USE THE POCKETRIG v3 ARM (CONT.)

1. To extend the arm downwards, swing the arm all the way out and rotate it down.
2. Attach to your belt using the gap in the shoulder piece.

Using your belt allows you to shoot longer with heavier equipment without fatigue.

If you are not going to attach any equipment / accessories on the rods, keep them closed while using your PocketRIG.

While using the support arm, place the curved part on your chest. Hold your camera with your right hand and hold the lens with your left hand for the best stabilization.

To avoid getting pinched while folding and unfolding the system, always hold your camera with one hand and move the parts from the ends with your other hand.

A detailed video explaining how to use the rods can be found at:
<http://edel.kr/prv3>

6. ADJUSTING THE TENSION OF THE POCKETRIG v3 ARM

PocketRIG v3 has three points for tension adjustments. You can adjust the tension of these points by using your 3 mm Allen key.

A detailed video explaining how to use the PocketRIG v3 arm can be found at: <http://edel.kr/prv3>

7. HOW TO USE THE FOLDABLE RODS

1. Swing open the rods until they click and stop.
2. Loosen the rod knob.
3. Extend the rod as much as you want and tighten the rod knob back.

A detailed video explaining how to use the foldable rods can be found at: <http://edel.kr/prv3>

8. HOW TO SET FOCUSONE v2

- If there is a gap between lens gear and focus wheel gear after you tighten the thumb screw and rod knobs, follow these steps:
1. Loosen only FocusONE v2's thumb screw.
 2. Push it back to the lens gear.
 3. Tighten the thumb screw as you push FocusONE v2 toward your lens.

A detailed video explaining how to use the foldable rods can be found at: <http://edel.kr/prv3>

9. ATTACHING THE HALF CAGE ON POCKETRIG v3

1. Remove the 3 mm Allen key from the magnetic surface of the shoulder support.
