

TRIANIUM

WALLETIUM IPHONE X

Fabric Inner Casing

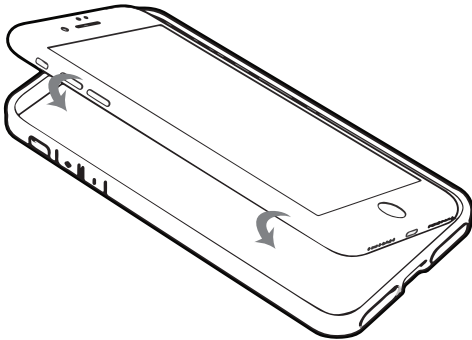

Rubber Outer Casing

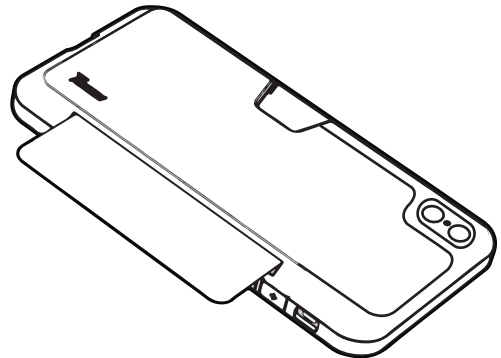

Side Features

INSTALLATION

- 1 Insert your phone into the rubber case. The two differing inner and outer textures protect your phone from drops and falls.

- 2 Use the card slot feature on the side of the case to safely store credit cards and your IDs.

- 3 **IMPORTANT:** To keep your cards safe and secure, we recommend storing **3 CARDS MINIMUM** while in use.
