Multipurpose Hot or Cold gel pack

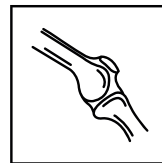

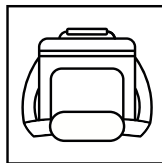

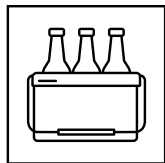

WARNING!

Do not use the gel pack if visibly damaged or if the gel is leaking.
If you come into contact with the gel on your skin or eyes, wash the affected area repeatedly with plenty of water.

NOTE: This product is NOT a medical device.

Intended Use

This multipurpose gel pack can be used to cool or heat lunch bag compartments or befit bags. It may as well provide targeted heating and cooling to muscle groups and joints. It is very easy to use and adaptable.

Instructions

Heating: To use as a heating device, once at room temperature, microwave for **20 seconds**, at **800 W**.

Cooling: To use as a cooling device, place in the freezer at a temperature between -10 °C and -18 °C, for 30 minutes. To keep the gel pack malleable, do not freeze below -18 °C.

Cleaning & Storage

Cleaning: Clean with a damp cloth. Do not wash in the washing machine. ☒

Storage: Store in a dry location, protected from sunlight.

Materials

Exterior: 100% Polyester

Interior: 65% Water, 30% Glycerol, 5% Carboxymethyl Cellulose (CMC)
