WARRANTY

Thank you for purchasing a NXT Technologies™ Product. We promise to repair or replace any NXT Technologies product or component that may have any defects in material or workmanship for as long as you, the original purchaser, own it. This warranty is subject to the provisions below. NXT Technologies' sole obligation and purchasers' exclusive remedy pursuant to these warranties are limited to replacement at NXT Technologies sole discretion. There are no other warranties except as expressly set forth below, either expressed or implied, including any warranty of merchantability for any particular purpose. The word defects in this warranty is defined as imperfections that impair the service, function or effectiveness of the product.

THREE YEAR: Gas Lift.

FIVE YEAR: Glides, casters and user-adjustable work surface mechanisms, laminates, veneer finishes, metal frame and other materials which cover your NXT Technologies product.

INFORMATION ON COLOR VARIATIONS & FINISHES:

Some natural variations occurring in wood, or other natural materials are inherent to their character, and thus can not be avoided. Therefore they are not considered to be defects. NXT Technologies does not warrant the color-fastness or matching of colors, grains, textures or other such materials. Customers' own materials selected by and used at the request of a user is therefore not warranted by NXT Technologies.

LIMITATIONS INVOLVING MATERIALS & COMPONENTS:

The materials and all components listed below are covered according to the following schedule from the date of sale to the original purchaser.

EXCLUSIONS:

This warranty does not apply to: damage caused by the carrier, modifications to the product, or attachments to the product not approved by NXT Technologies, non-standard materials selected by and used at the request of a user, and products that were not installed, used or maintained in accordance with product instructions and warnings. Nor shall NXT Technologies have any responsibility for incidental or consequential damages resulting from the breach of this Warranty, including but not limited to inconvenience, rental or purchase of replacement products, loss of profits or commercial loss. Some states or provinces do not allow the exclusion or limitation of incidental or consequential damages so the above limitation or exclusion may not apply to you. This warranty gives you specific legal rights and you may also have other rights, which may vary from state to state or province to province. This warranty applies only to products sold within the United States of America and the Commonwealth of Canada.

TO OBTAIN SERVICE FROM THIS WARRANTY:

- Please contact us within 30 days (unless otherwise noted by the Dealer) of discovery of the defect. Prepare to confirm that you are the original purchaser of the product and provide necessary product information, such as serial number(s)/UPC number(s) from the product in question.
- NXT Technologies will gather all the pertinent information required regarding your claim(s), inspect the product and thus contact a NXT Technologies Customer Service Representative.
- If NXT Technologies confirms that the product in review is eligible under the warranty conditions as stated above, the customer service representative or another representative of the Company will determine whether to provide replacement parts or authorize other arrangements at the sole discretion of the vendor NXT Technologies. No assembly/labor is included in this warranty.

TO CONTACT CUSTOMER SERVICE:

Our knowledgeable Service Representatives are ready to assist you in the case this warranty applies to you. SAFETY INSTRUCTIONS

CAUTION

WARNING

Hands Pinching

Please do not place your hand near the scissor lift. The scissor lift angle will change when lifting or lowering the desktop and it may hurt your hands.

Please do not put your hands near the supporting bars as the angle will change during height adjustment and may hurt your hands.

Please make sure to install all equipment on a level surface.

Cable management tie helps to organize cables. Please leave enough cord length to adjust with the height of the desktop. Failure to do so may result in damage to corded device.

Please adjust desktop to the highest position and then remove equipment to avoid harm or damage.

Please move unit with two people.
