| 2pcs                                                                                | 4pcs                                                                                | 2pcs                                                                                | 6pcs                                                                                | 1pk                                                                                 | 1pk                                                                                 | 1pk                                                                                 | 2pk                                                                                  |

**WARNING!**  
NOT SUITABLE FOR CHILDREN UNDER  
3 YEARS. CONTAINS SMALL PARTS.

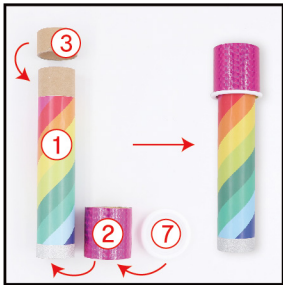

**STEP 1**  
Choose favourite paper ④ ⑤ and tape ⑥, stick them on the paper tube ① ②.

**STEP 4**  
Make the mirror into a triangle and insert it into the paper tube.

**STEP 7**  
Put the white plastic piece (from step 6) to the paper tube.

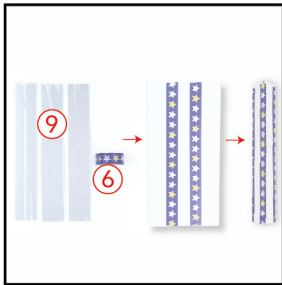

**STEP 2**  
Put the white plastic ring ⑦ on the paper tube ② and then on the paper tube ①. Put tube ③ also on the tube ①.

**STEP 5**  
Put the white plastic piece ⑧ on the bottom of one of the clear accessory ⑬ (the little one). Put both parts on the bottom of the paper tube.

**STEP 8**  
Now hold on to the eye hole as you turn the kaleidoscope tube. What colour do you see?

**STEP 3**  
Take 3 mirrors ⑨, remove the protective plastic film and tape one side of each mirror with tape of your choice.

**STEP 6**  
Put your favourite decorations into the clear blister ⑬, then put the clear accessory ⑬ (the big one) and the white plastic ring ⑦ on top.

Thank you for your purchase.
