■ Welcome To Proaim!

Dear Client,

On behalf of all the people that work so hard to provide you with the most up-to-date, flexible and cost-efficient production gear, we would like to welcome you into the Proaim family.

By purchasing your Proaim Fusion 8ft Slider/Dolly Track , you have just joined a host of designers, engineers, machinists, assembly, customer service and office staff that take great pride in all that they do. Our mantra of continuous improvement has been the guiding principle of how we conduct our business since day one.

Once you have the opportunity to experience your new Proaim Fusion 8ft Slider/Dolly Track , we hope you will agree that we craft quality products at a competitive price. Products designed to meet and exceed the standards of today's real production world.

Standards set by our valued clients and standards we strive to maintain.

With Best Wishes,
Proaim Team

■ Introduction

Proaim Fusion Compact Portable Slider/Dolly Track is the most versatile camera slider & skater dolly you will ever need. It features a custom-designed base plate and frictionless wheel platform, which provides glass-like movement while tracking subjects. The commercial-grade aluminum constructed heavy-duty dolly handles payload up to 100kg/220lb. It is robust yet portable making it uniquely qualified for today's media production needs.

■ What's In The Box

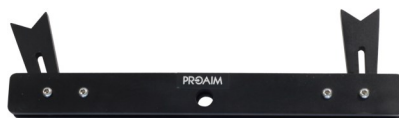

Please inspect the contents of your shipped package to ensure you have received everything that is listed below.

Camera Dolly with 100mm bowl

2x End Feet

Support Bracket

4x Adjustable Leveling Legs

Mitchell Base

150mm Bowl

75mm Conversion Ring

2x Safety Wheels

3x Allen keys

4x Elastic Stoppers

3x Junior Pin Adapters

Flight Case

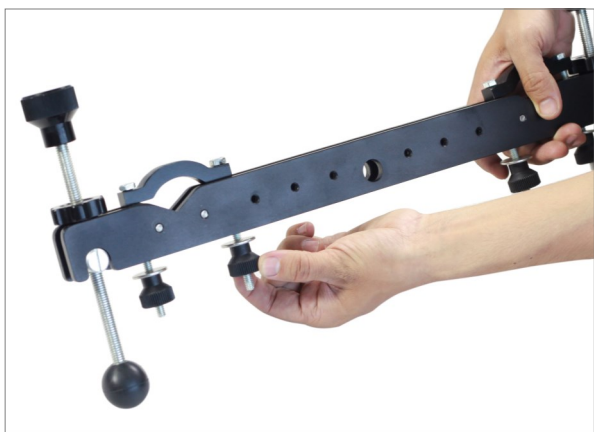

■ Attaching the Levelling Legs

- Insert Adjustable Leveling Legs into End Feet Adapter and tighten the knob to secure it.

Attaching the Track

- Loosen knobs on End Feet & insert Track rails (Not Included) into it. Tighten back the knob tightly to secure it.

■ Assembling the Dolly

NOTE: Always mount dolly on rigid track.

- Mount Camera Dolly onto the Track (Not Included) as shown.

- Remove side knobs of Dolly and attach Safety Wheels on both sides. Tighten the knobs back.

- Loosen side knobs of Dolly from both sides for tilting the camera Platform that inclines up to 52°. Adjust the position at any angle by locking the knobs.

- Attach Elastic Stoppers on both rails to prevent the Dolly from getting dislocated and also perform as Wheel Brakes.

NOTE: Fusion Dolly accommodates 4 Camera Mounting Heads.

75mm Bowl / 100mm Bowl / 150mm Bowl / Mitchell Base

- The standard 100mm Bowl Receptacle is attached by default onto the Dolly.

- Add 75mm Conversion Ring to use 75mm Bowl Head with Dolly.

- Add 150mm Bowl Receptacle to use 150mm Bowl Head with Dolly.

- Remove the 100mm Bowl Receptacle from Dolly Platform & attach Mitchell Plate onto it. Tighten screws with the help of provided tools.

- Now you can mount your camera setup, as desired.

Attaching the Supports

- Remove the hook from the junior pin adapter and insert into the end feet at both side.

- Then loosen knob fixed on Junior Pin Adapter, mount the track system (**Not Included**) onto any stand (**Not Included**) through Adapter and tighten the knob back to secure it.

- Now remove hook from small Junior Pin Adapter and insert it into Support Bracket, as shown in image.

- Then insert this Junior Pin Adapter into Support Bracket & tighten by twisting it.

- Attach this Support Bracket under the center of Track (Not Included) system and mount your camera setup, as shown in image.

To Use Dolly As Underslung

- Attach 100mm Bowl Receptacle to the bottom of Dolly and tighten screw with the help of allen key.

- Then mount your camera setup to take Underslung Shots.

YOUR PROAIM FUSION CAMERA DOLLY WITH TRACK ENDS ALL DRESSED UP AND READY TO GO!

Warranty: We offer one year warranty for our products from date of purchase. Within this period of time, we will repair it without charge for labor or parts. Warranty doesn't cover transportation costs nor does it cover a product subjected to misuse or accidental damage. Warranty repairs are subjected to inspection and evaluation by us.

Liability: We are not liable for damage caused by products that we do not supply or from mishandling in transit, accident, misuse, neglect, lack of care of the product, or service by anyone other than our company.

Contact Us: In case of any kind of dissatisfaction, please Contact us immediately and we promise our utmost support and care until you use our product.
