

POP IT!™

Let's Get Poppin' ▶

Includes: 1 Pop It!™ Game Board

For Junior Poppers

AGES 3-6

Pop It! provides great sensory interaction and keeps kids engaged and little hands busy - because little hands enjoy popping the bubbles (and let's face it, big hands do too).

A Game for POP Stars

AGES 6+

5+ MIN

Goal

Be the player to force your opponent to **POP** the last bubble.

How to Play

1. Rock, paper, scissors to see who goes first.
2. Players will take turns to choose one row and **POP** as many bubbles as they want (*in that row only*).
3. The next player will choose any one row that has any unpopped bubbles and **POP** as many as they want in that row only.

4. Players will continue taking turns until one player is forced to **POP** the last bubble. That player loses that round, but don't worry! Flip the board and start over. The first player to win **three** rounds is the winner.

Move 1 - Player 1 ●

Move 2 - Player 2 ○

Final Move - In the end, Player 2 has forced Player 1 to **POP** the last bubble. Player 2 wins the round.

More Ways to Play!

In the advanced version, game play is the same except the players can only **POP** bubbles in a row that are directly next to each other without any popped bubbles in between. For example:

○ Unpopped

● Popped by Player 1

○ Popped by Player 2
