Content

- 1 x Wireless Charging Task Lamp
- 1 x Power Adapter

Warning

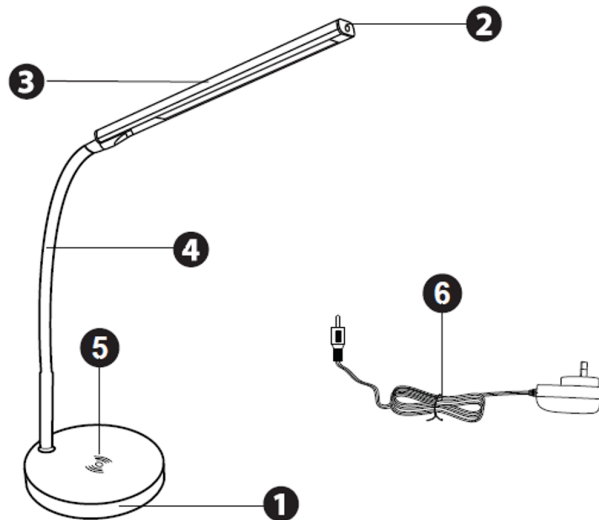

- Read all instructions before using this luminaire.
- This luminaire is designed for household use only.
- To eliminate choking hazard for young children, remove and safely discard any protective packaging and promotional labels.
- This luminaire is not intended for use by children. Young children should be supervised to ensure that they do not play with this luminaire.
- Ensure that the power cord is not twisted, bent, or crushed. This may cause the insulation to weaken, and/or significantly damage the cord. Replace the power supply if it is damaged in any way.
- Ensure that this luminaire is installed/operated in cool, dry environment.
- Only use the power supply provided with this luminaire.
- Prior to conducting any maintenance or cleaning on the luminaire, always ensure the power is OFF and the luminaire has cooled down.
- Non replaceable LED: the light source of the luminaire is not replaceable; when the light source reaches its end of life the whole luminaire shall be replaced.
- If the supply cord is damaged, it must be replaced by the manufacturer, its service agent or similarly qualified persons in order to avoid a hazard.
- The lamp housing may get hot when the lamp is operating, do not touch to avoid a hazard.
- To prevent damage to the appliance do not use alkaline cleaning agents when cleaning. Use a soft cloth and a mild detergent. Always switch off before cleaning.
- Failure to maintain the lamp in a clean condition could lead to deterioration of the surface that could adversely affect the life of the appliance and possibly result in a hazardous situation.

WARNING: FIRE RISK EXISTS IF THE LAMP IS COVERED BY OR POSITIONED CLOSE TO CURTAINS OR OTHER COMBUSTIBLE MATERIALS.

General Handling & Installation

- Ensure the luminaire is placed on a flat and stable surface.
- This luminaire should not be installed/operated in locations where it is exposed to excessive moisture, dust, humidity. Under direct sunlight, or in hot environments.
- Ensure that the luminaire has not sustained any damage during transport. Do not use this product if it is damaged. Return the complete product to the place of purchase for inspection or replacement.

1. Base
2. Touch Switch
3. Lamp Housing
4. Flexible Goose Neck
5. Wireless Charging Module
6. Power Adapter

How to use

1. Plug the power adapter into the power socket located on the rear of the base.
2. Then, plug the power adapter into a 220 – 240V ~ 50Hz power socket.

This lamp supports three brightness settings.

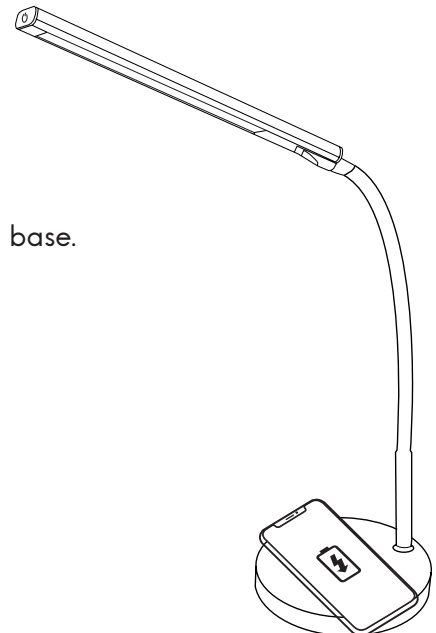

1. Touch the  switch to toggle the lamp ON/OFF.
2. Touch the  switch once to activate the low brightness setting.
3. Touch the  switch twice to activate the medium brightness setting.
4. Touch the  switch three times to activate the high brightness setting.

Charging

- This luminaire supports wireless charging.
- Place smartphone (with wireless charging capability) on the charging module (5) to begin charging.

Note:

- If the phone does not charge, remove any case material, and try again.
- The wireless charger is only compatible with smartphones that support wireless charging (Samsung Galaxy models S6 and above and Apple iPhones version 8 and above).

The packaging material is recyclable. Dispose of the packaging in an environmentally friendly manner and make it available for the recyclable material collection-service.
