1

The diagram illustrates the connection of the mouse to a PC. On the left, a PC case is shown with a blue arrow pointing to the USB port. A USB cable is connected to the mouse, and the word "USB" is written above the cable. The mouse is shown from the bottom, highlighting the ON/OFF switch. On the right, the mouse is shown from the top, highlighting the battery compartment. To the right of the mouse, there are three icons: a lightning bolt, a battery icon with a lightning bolt, and a clock icon with the text "3H" below it, indicating the battery life.

2

Diagram illustrating the connection of the USB cable to the car stereo and the computer. A blue arrow points from the car stereo's USB port to a USB cable. Another blue arrow points from the other end of the USB cable to the USB port on the back of a computer tower.
