Tablette murale Nuage
Cloud wall shelf

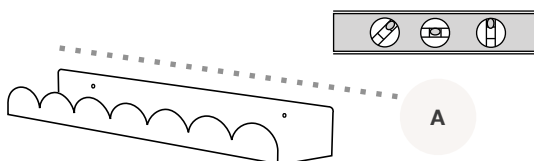

A 1X

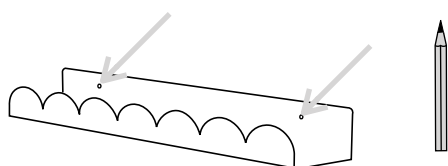

Étapes / Steps

1

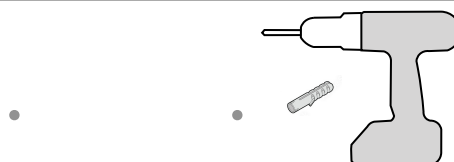

Positionner la tablette à l'endroit désiré.
S'assurer qu'elle soit à 0 degré avec un niveau à bulle.
Level the shelf.

2

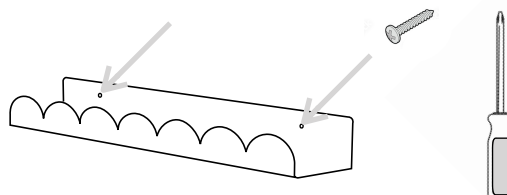

Marquer les emplacements des trous (2) au crayon.
Mark the holes (2) with a pencil.

3

Utiliser les ancrages adéquats selon le type de mur et qui soutiennent au minimum 25 lbs. Utiliser des vis #8 à tête ronde. Installer les ancrages selon les instructions du fabricant. **Use 25 lb rated wall anchors adapted to your wall and install them according to the manufacturer's instructions. Use #8 pan screws.**

4

Installer les vis.
NOTE: Charge maximale de 11 lbs (5kg) sur la tablette.
Install the screws.
NOTE: Maximum load on the shelf 11 lb (5kg).
