

Folded Size: 3.33" (w) x 3.15" (h)

FOLDING LINE:

A diagram of a rectangular prism. Two red curved arrows indicate a 90-degree rotation around a vertical axis passing through the center of the prism. One arrow is at the top, pointing to the right, and the other is at the bottom, also pointing to the right.

A diagram showing a mechanical assembly. A grey bolt is inserted through a hole in a white rectangular block. A dark blue nut is threaded onto the bolt. A black diagonal line runs across the block, passing through the bolt and nut. A small orange dot is visible on the right side of the nut.
