Appliance Type	Built-In
Fuel Type	Gas
Ignition Type	Electrical
Cooktop Control Type	Standard Dial Control
Control Location	Right
Color/Finish	Stainless Steel
Knobs Material	Metal Knob - Acrylic Trim Ring for Blue LED
Commercial/Residential	Residential

BURNER PERFORMANCE

Total Burners	4
[1] Front Left Burner	18,000 BTU
[2] Front Right Burner	9,000 BTU
[3] Rear Left Burner	12,000 BTU
[4] Rear Right Burner	9,000 BTU

FEATURES & BENEFITS

- Four High-Intensity Burners** - Four sealed burners, including a high-intensity 18,000 BTU power burner that produces fast, intense heat and contains spills to make cleaning quick and easy.
- Professional Illuminated Knobs** - Metal constructed knobs provide easy access to flame settings and illuminate a striking blue when in operation.
- Stainless Steel Cooktop** - Adds a sleek, modern design to any kitchen; this product is designed with a single piece of stainless steel to withstand spills and grease for easy cleaning.
- Continuous Cast Iron Grates** - Heavy-duty, edge-to-edge, porcelain-coated cast iron grates allow for easy movement of pans between burners.
- Automatic Electric Ignition** - Eliminates the need to manually light the burners and protects the user from the likelihood of a burn because lighters and matches are not needed. It also saves money by using less gas than a standing pilot range.
- Liquid Propane Option** - LP convertible with liquid propane conversion kit included.
- Wok Ring** - Features a wok ring that provides extra stability for cooking with round-bottom woks.

WARRANTY: TWO YEAR PARTS AND LABOR

PRODUCT DIMENSIONS
