

Doctor Formulated

PROBIOTIC™ ENHANCED WITH PERFECTAMINO®

40 Billion+ Live Cultures & 11 Unique Strains

- Acid Resistant Capsule*
- Optimized with Spore-Based Organisms*
- Beneficial Bacteria*
- Enhanced with PerfectAmino*

60 Capsules | 30 Servings

Now Enhanced with PerfectAmino
The 8 Essential Amino Acids

PROBIOTIC WITH PERFECTAMINO PROVIDES:*

A daily probiotic with spore-based organisms, designed to help support an optimal gut biome.

Our Probiotic Supplement:

- Colonizes the intestinal tract in high numbers.*
- Survives the harsh acidic environment of the stomach and high alkalinity in the small intestine.*
- Helps balance gut bacteria.*
- Provides non-pathogenic flora for microbiome.*
- Supports cellular health by stimulating the production of immune messengers.*
- Supports cholesterol levels already within a healthy, normal range.*
- Supports colon health through its control over bile acids.*
- Supports healthy elimination.*

What Are Spore Biotics?

Your microbiome is the collection of trillions of bacteria cells living together in your gut. Many probiotic formulas available have only one type of beneficial bacteria. But there are actually two – and both are needed for a healthy gut!

There are reseedling or "regular" probiotics, and there are also probiotic spores, or Soil-Based Organisms (SBOs).

Soil-based organisms recondition your gut, helping to rid you of the disease-causing bacteria while providing needed nutrients for the good bacteria to help them grow and thrive.

Probiotic contains three outstanding soil-based spore probiotics to help improve the condition of your microbiome and gut integrity.

Your gut needs both kinds of probiotics, especially if you have a compromised gut, have taken an antibiotic or had a hospital stay within the last two years.*

PerfectAmino®

We've recently enhanced our probiotic with PerfectAmino as much of the beneficial bacteria living in your colon (and necessary to produce neurotransmitters) consume essential amino acids as their food source. By adding these into the capsule with the probiotics we ensure this important "food" makes it all the way to these bacteria to give you the very best results from the product.*

Supplement Facts

Serving Size: 2 Capsules	Servings Per Container		30
Ingredients	Amount Per Serving		% DV
	CFU	mg	**
DE111® bacillus subtilis	4 Billion	40.00	**
