Precautions

- Please read and follow these instructions, and keep this manual in a safe place.
- Keep this product away from water and flammable gases or liquids.
- Do not attempt to disassemble or repair this product.
- Clean this product with only a soft, dry cloth.
- To avoid damage to this product, be careful not to overtighten or improperly thread any of the threaded fittings.
- All images are for illustrative purposes only.

LUXLi[®]

TSB-110 SOFTBOX FOR TAIKO

USER MANUAL

One-Year Limited Warranty

This LUXLI product is warranted to the original purchaser to be free from defects in materials and workmanship under normal consumer use for a period of one (1) year from the original purchase date or thirty (30) days after replacement, whichever occurs later. The warranty provider's responsibility with respect to this limited warranty shall be limited solely to repair or replacement, at the provider's discretion, of any product that fails during normal use of this product in its intended manner and in its intended environment. Inoperability of the product or part(s) shall be determined by the warranty provider. If the product has been discontinued, the warranty provider reserves the right to replace it with a model of equivalent quality and function.

This warranty does not cover damage or defect caused by misuse, neglect, accident, alteration, abuse, improper installation or maintenance. EXCEPT AS PROVIDED HEREIN, THE WARRANTY PROVIDER MAKES NEITHER ANY EXPRESS WARRANTIES NOR ANY IMPLIED WARRANTIES, INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. This warranty provides you with specific legal rights, and you may also have additional rights that vary from state to state.

Thank you for choosing Luxli.

This Luxli Softbox allows you to alter the light output of the Luxli Taiko 2x1 LED Light. Quickly wrap the softbox over the Taiko's edges, and secure using touch-fastener straps. Mounting the included diffuser is simple and helps soften the light, leaving you with a warmer wraparound effect and minimized shadows. The softbox accepts the TSBG-120 Softbox Grid (not included) to add directionality, focusing the light in a more controlled beam.
