

How to download App not available in Google Play Store?

Some apps are not authorized in google play store, so you need to download them separately.

Mehtod 1:

Step 1: please open the existing browser of the TV box (such as Google Chrome or firefox).

Step 2: Copy the Installment URL to the browser
(Search the .apk in application official website)

Step 3: start to download the.apk. File.

Step 4: After the download is successful, start to install the application software, click Allow to install.

Mehtod 2:

Step 1:Prepare a U disk,

Download the app's installation package from the official website with your own computer in advance.

Step 2:insert the U disk into the TV box, the TV box will automatically open the .apk, and follow the prompts to download normally.
