Assembly & Installation Instructions

Dear Customer:
Thank you for your business!
If you have any question or problem, please send us an email to support@4modernhome.com or call us at 469-312-6428. We will do everything possible to make you completely satisfied with your purchase. Product reviews help future customers to make their purchase decision. You are encouraged to share your experience by leaving a short product review on the platform where you bought this product.
Thank you!
Zgear Team

Warning: If any special control devices are used with this fixture, follow the instructions carefully to assure full compliance with N.E.C. requirements. If there are any questions, contact a qualified electric contractor.

Warning: California Residents Proposition 65
This product contains lead, a chemical known to the state of California to cause cancer and birth defects or other reproductive harm. Do not place the product in your mouth. Wash your hands after handling this product.

Caution: It is highly recommended to get an electrician to install this light. Please make sure to turn the electricity off at the main circuit breaker before beginning installation. All glass is fragile. Use care when handling glass component(s) and/or lamp(s)

- 1) Please turn off the power before installing the lamp (see fig A).
- 2) Remove the mounting bracket from the top box, then place the mounting bracket on the junction box. Then tighten with the junction box screw.
- 3) Connect the lamp power cord to the main power cord of the junction box (white to white, black to black)
- 4) Wrap the naked copper ground wire in the junction box around the green screw. Lock the green screw in the tooth hole. Connect the naked copper wire of the lamp and the naked copper wire of the junction box with the terminal.
- 5) Secure the canopy to the mounting plate using the mounting screws
- 6) Turn on the power in your circuit breaker (see fig B).

WIRE CONNECTION DIAGRAM

Wires meeting safety standards are required to connect the electrical circuit

CAUTION: Risk of fire

Please read all instructions carefully. Before you proceed to install, make sure that the power supply is turned off and remains off until installation is completed.
