Getting to Know Your Device

1.Using in Wet Conditions
Your device is water-resistant, which means it is rain-proof and splash-proof and can stand up to even the sweatiest workout.
NOTE: Do not swim with your Smart Bracelet. We also don't recommend showering with your wristband; though the water won't hurt the device, wearing it 24/7 does not give your skin a chance to breathe. Whenever you get your bracelet wet, dry it thoroughly before putting it back on.

2.Size
Fits a wrist between 5.5 and 7.7 inches in circumference.

3.Disposal and Recycling
Please kindly be aware that it is the consumer's responsibility to properly dispose and recycle Smart Bracelet and accompanying components. Do not dispose of Smart Bracelet with common household waste, the Smart Bracelet unit is considered electronic waste and should be disposed of at your local electronic equipment collection facility.
For more information, please contact your local electronic equipment waste management authority or the retailer where you bought the product.

General Info & Specifications

1.Environmental Conditions
Operating temperature: 14°F to 122°F (-10°C to 50°C)
Non-operating temperature: -4°F to 140°F (-20°C to 60°C)

2.Size
Fits a wrist between 5.5 and 7.7 inches in circumference.

3.Disposal and Recycling
Please kindly be aware that it is the consumer's responsibility to properly dispose and recycle Smart Bracelet and accompanying components. Do not dispose of Smart Bracelet with common household waste, the Smart Bracelet unit is considered electronic waste and should be disposed of at your local electronic equipment collection facility.
For more information, please contact your local electronic equipment waste management authority or the retailer where you bought the product.

This device is in compliance with the essential requirements and other relevant provisions of Directive 2014/53/EU. All essential radio test suites have been carried out. The device complies with RF specifications when the device used at 5mm from your body. The product shall only be connected to a USB interface of version USB2.0

Manufacturer's Name: HK LAGENIO TECHNOLOGY CO., LIMITED.
Product Name: Bluetooth smartwatch
Model number: G16

This product can be used across EU member states.

RF Secification:			
Function	Operation Frequency	Max RF output power:	Limit
EDR	2402MHz~2480MHz	-6.21 dBm	20 dBm
BLE	2402MHz~2480MHz	7.79 dBm	20 dBm

FCC WARNING

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Any changes or modifications not expressly approved by the party responsible for compliance

could void the user's authority to operate the equipment.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation.

If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
 - Increase the separation between the equipment and receiver.
 - Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
 - Consult the dealer or an experienced radio/TV technician for help.
- The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction
