Wooden part

— ASSEMBLY PROCESS —

1. Mark the holes horizontally on the wall with a pencil. Distance – 1,5 cm.
2. Drill holes. Make sure that you drill straight into the wall at a 90 degree angle. Insert plugs in the holes.
3. Mount wooden part to the wall with 2 bigger screws.
4. Place the wall hook on a mounted wooden part and screw a small screw into the hook (there is a hole on the bottom of the hook).
