Sewing Basics

Before you start, let's learn basic sewing techniques.

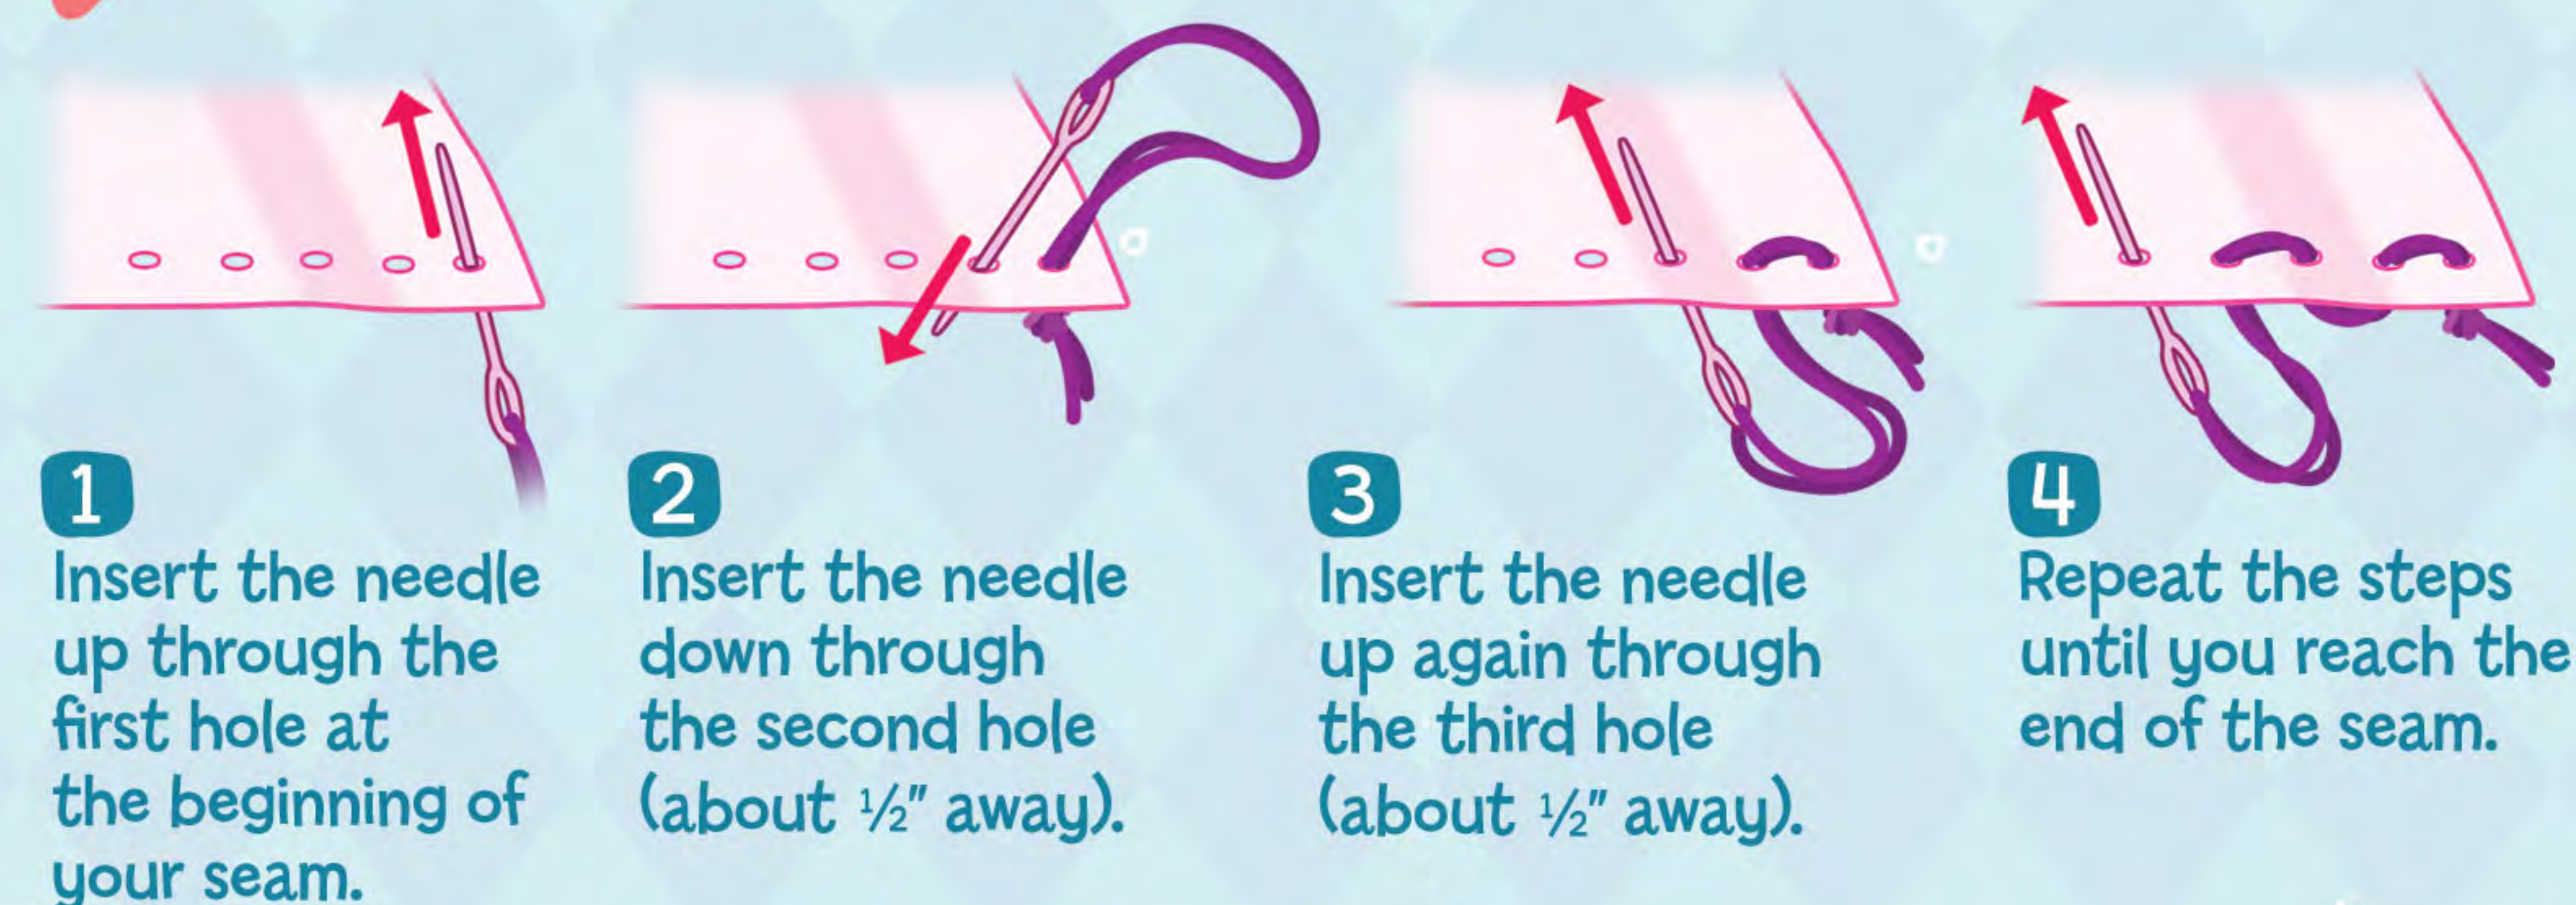

1 Threading the Needle

2 Knotting the Thread

3 Sewing a Running Stitch

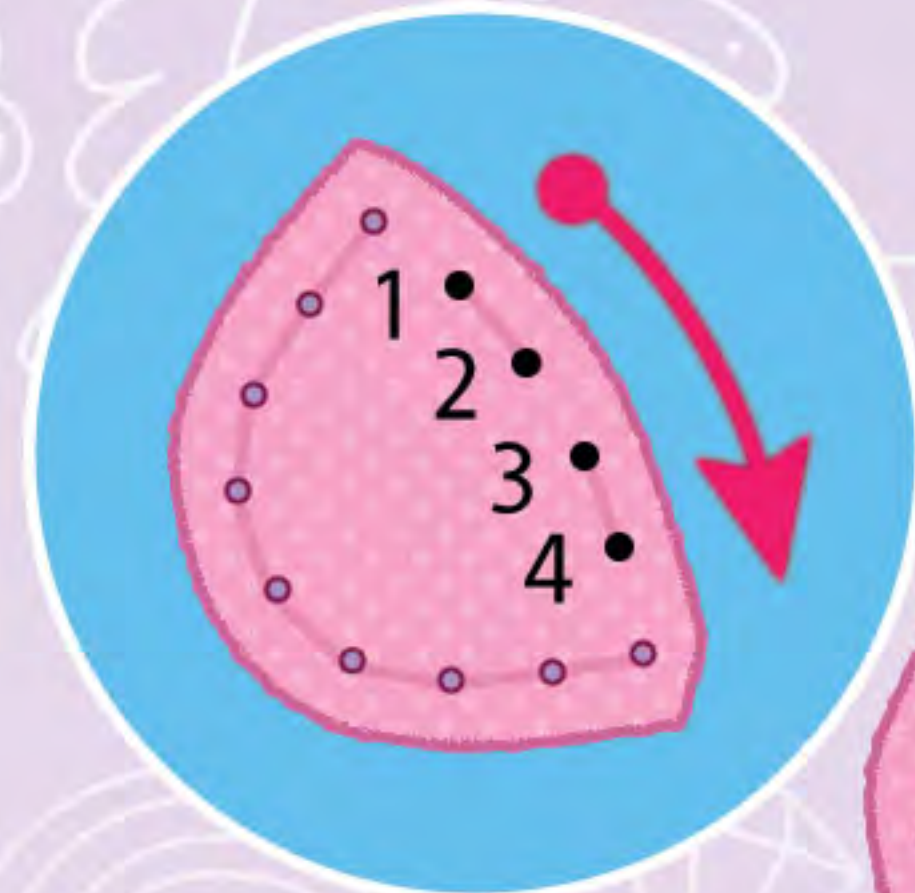

4 Ending a Stitch

Create your Own Unicorn

1 Sew the Eyes, Nose, Ears & Decorations

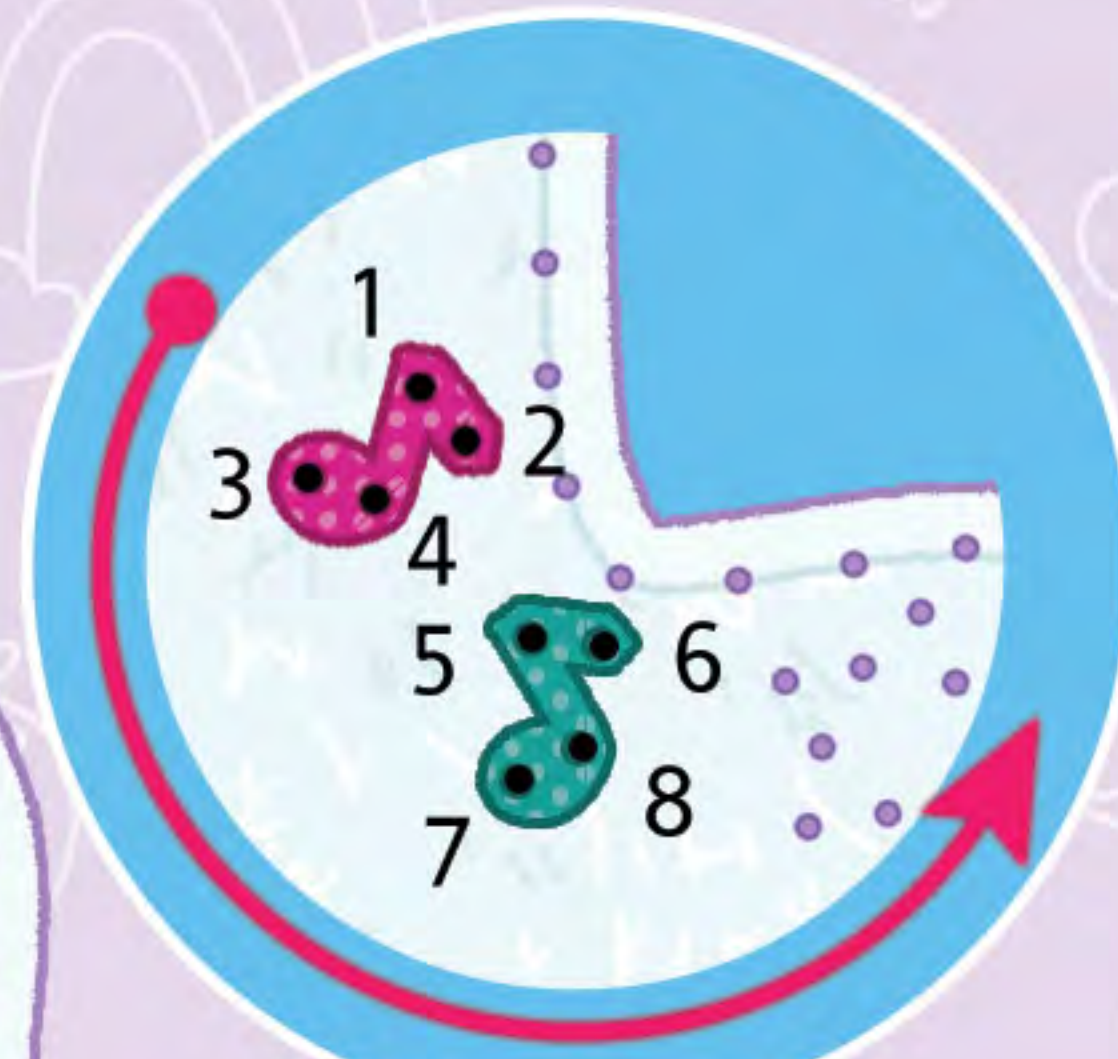

1 Purple Thread - 40 cm

Take one of the eye cutouts and match it to the eye holes on the fuzzy side of the left fabric body piece. Use the purple thread to sew the eyes.

2 Pink Thread - 60 cm

Put one nose cutout on the same body, then use a pink thread to sew it in place following the numbers above.

3 White Thread - 40 cm

Take an ear and fold it in half long way and match it to the two holes at the top of the head. Use a white thread to sew the ear.

4 Yellow Thread - 60 cm

Use the yellow thread to sew two music notes on the unicorn's body. Sew each music note one at a time as shown above.

Take the right fabric body piece and repeat steps 1 to 4.

2 Sew the Yellow Star

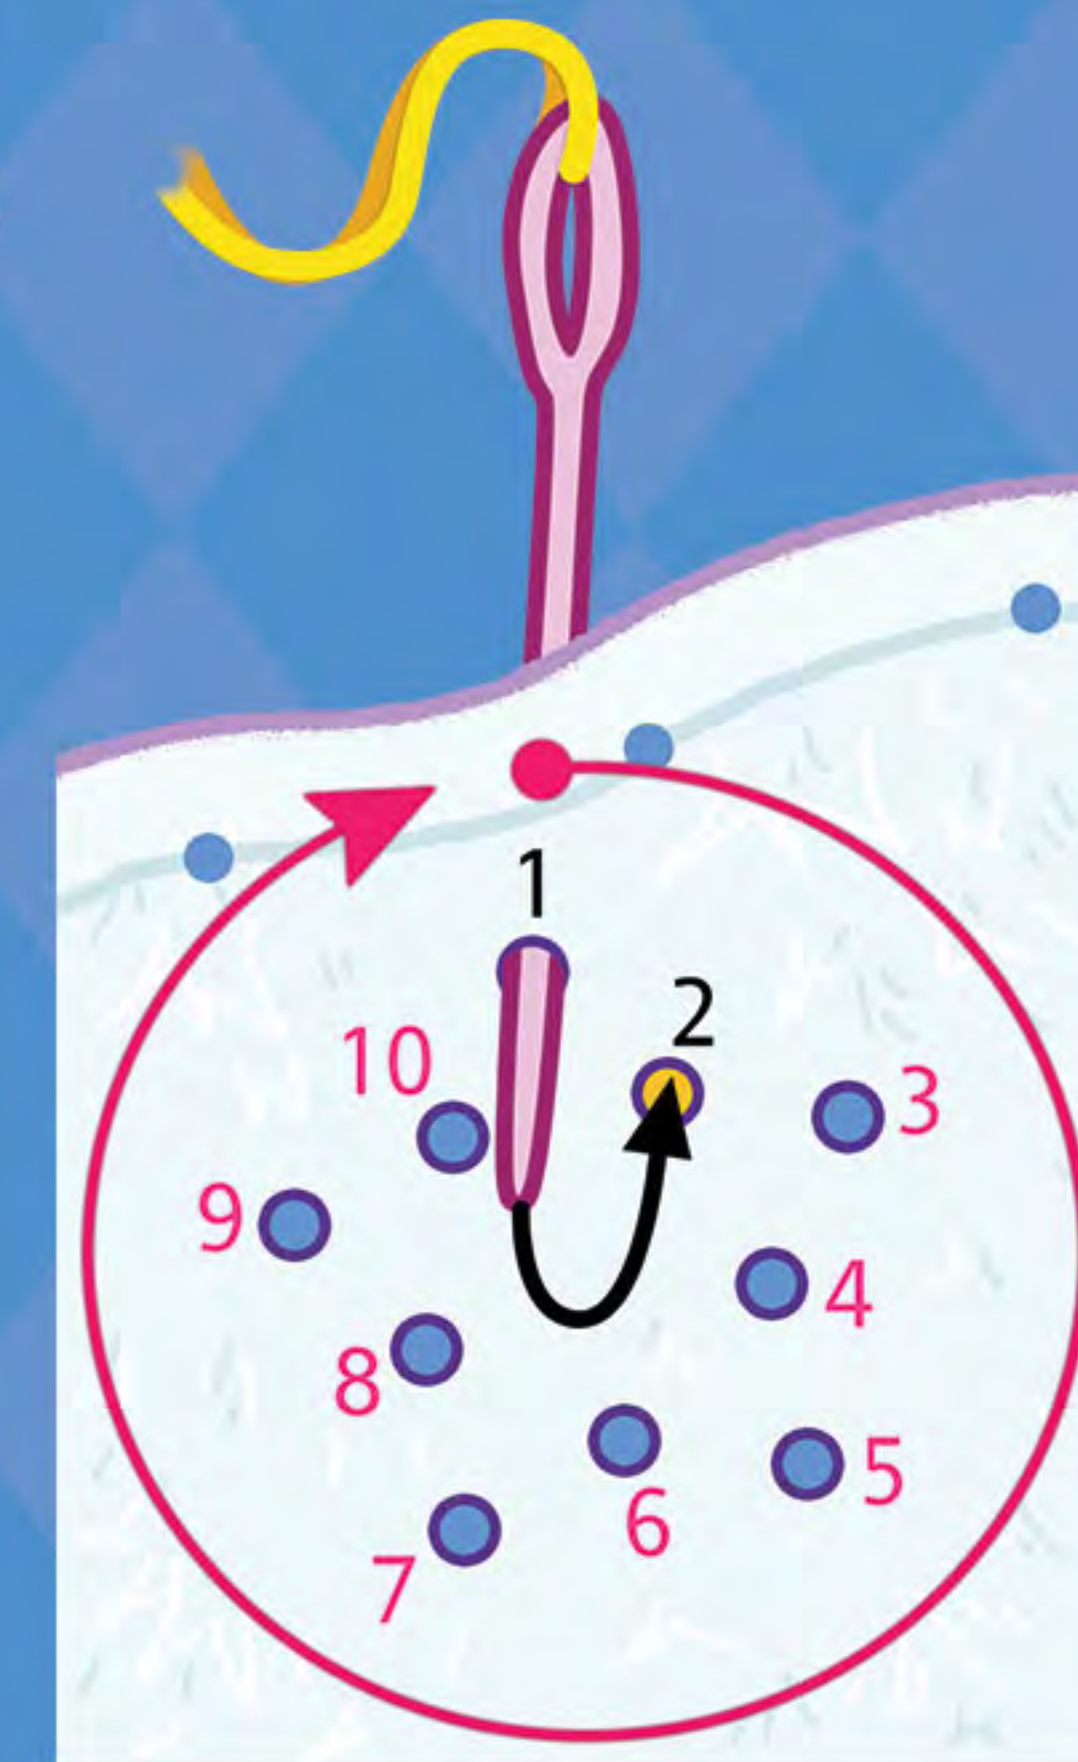

Yellow Thread - 60 cm

On the left fabric body piece, use the yellow thread to sew the star.

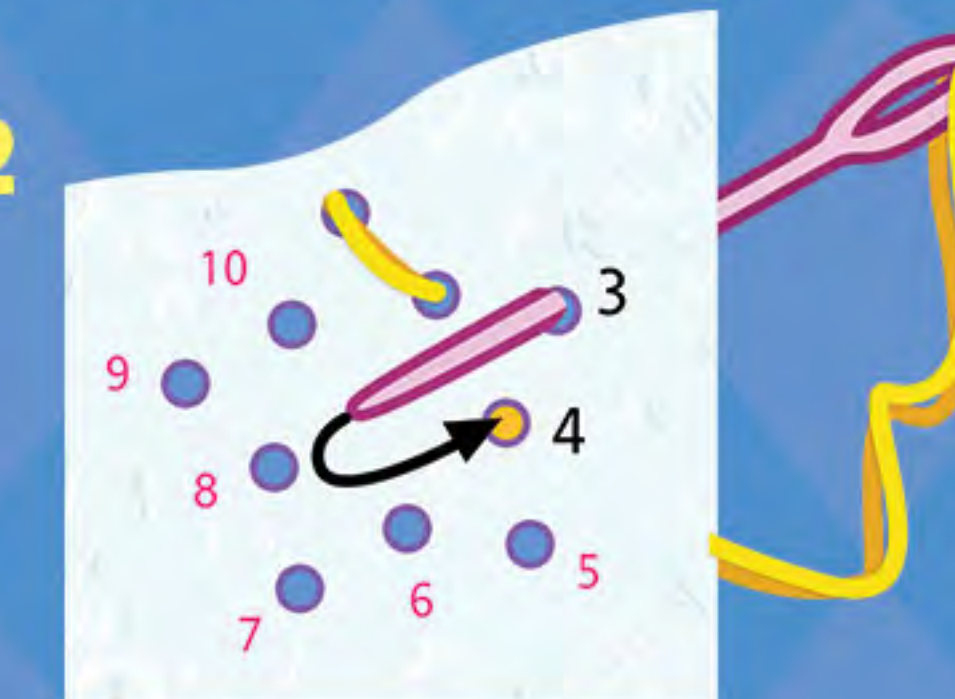

1 Sew the star following the number order from 1-10.

3 Sew the Pink Heart

Pink Thread - 60 cm

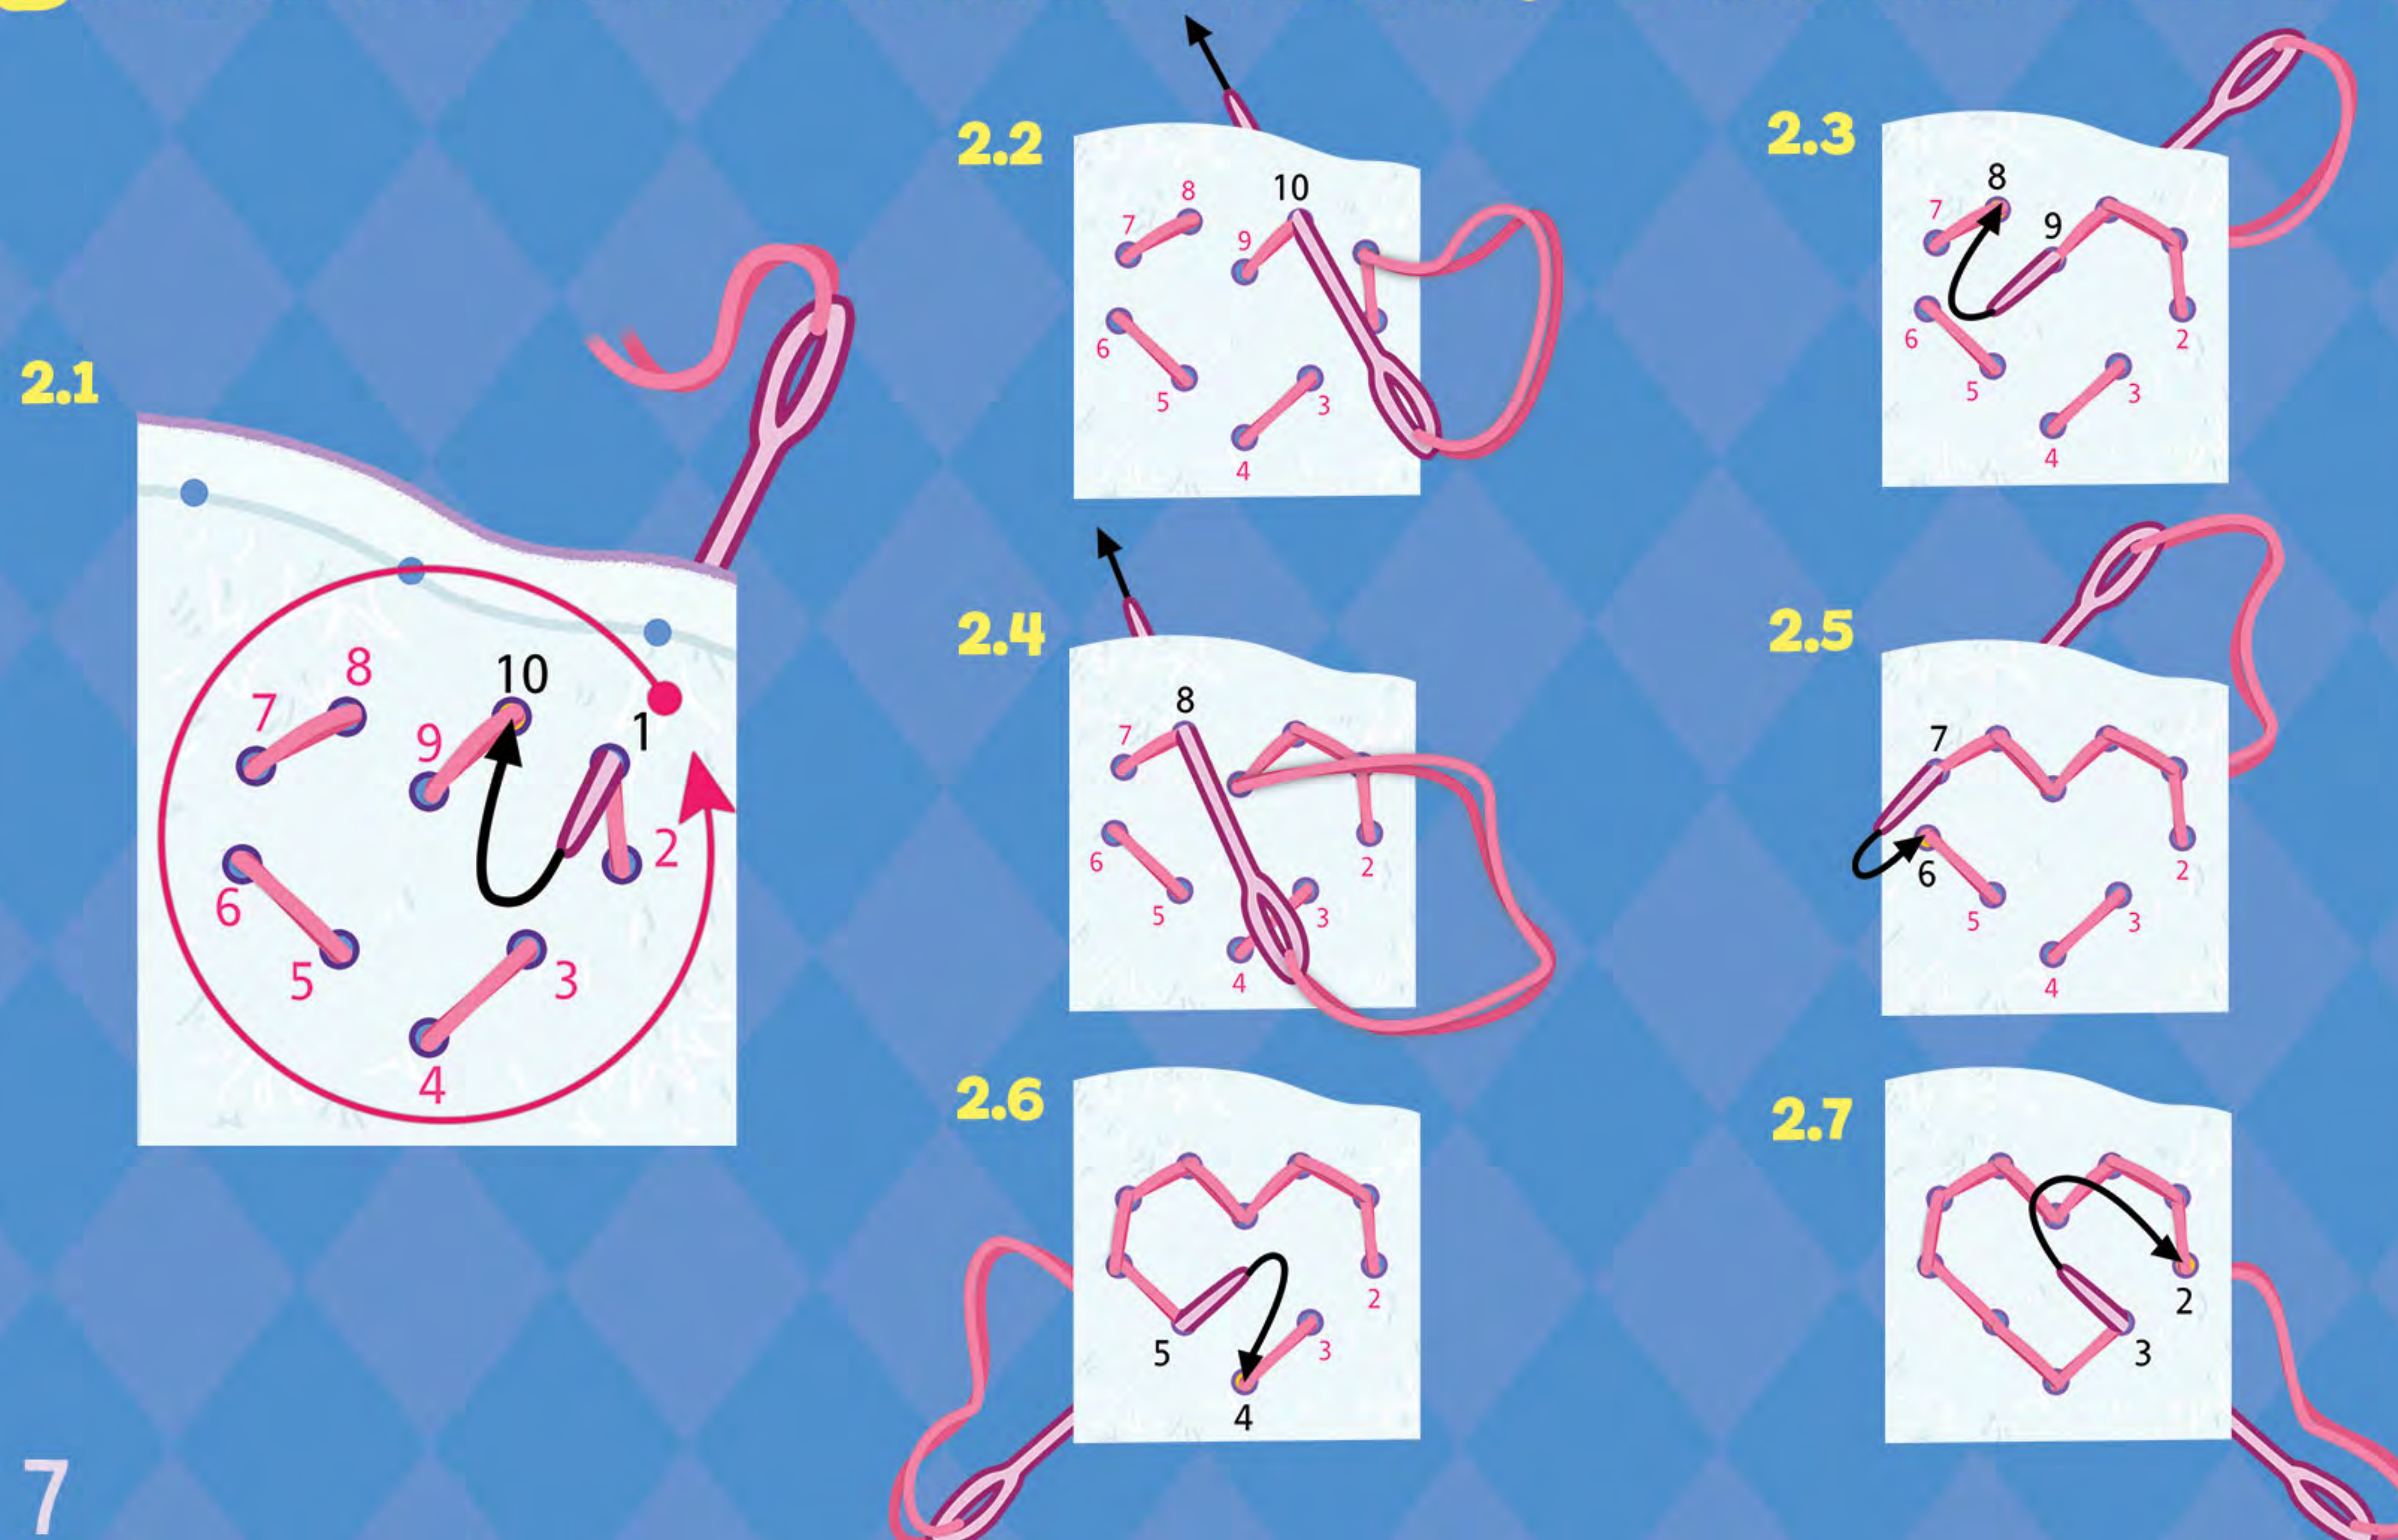

On the right fabric body piece, use the pink thread to sew the heart.

1 Sew the star following the number order from 1-10.

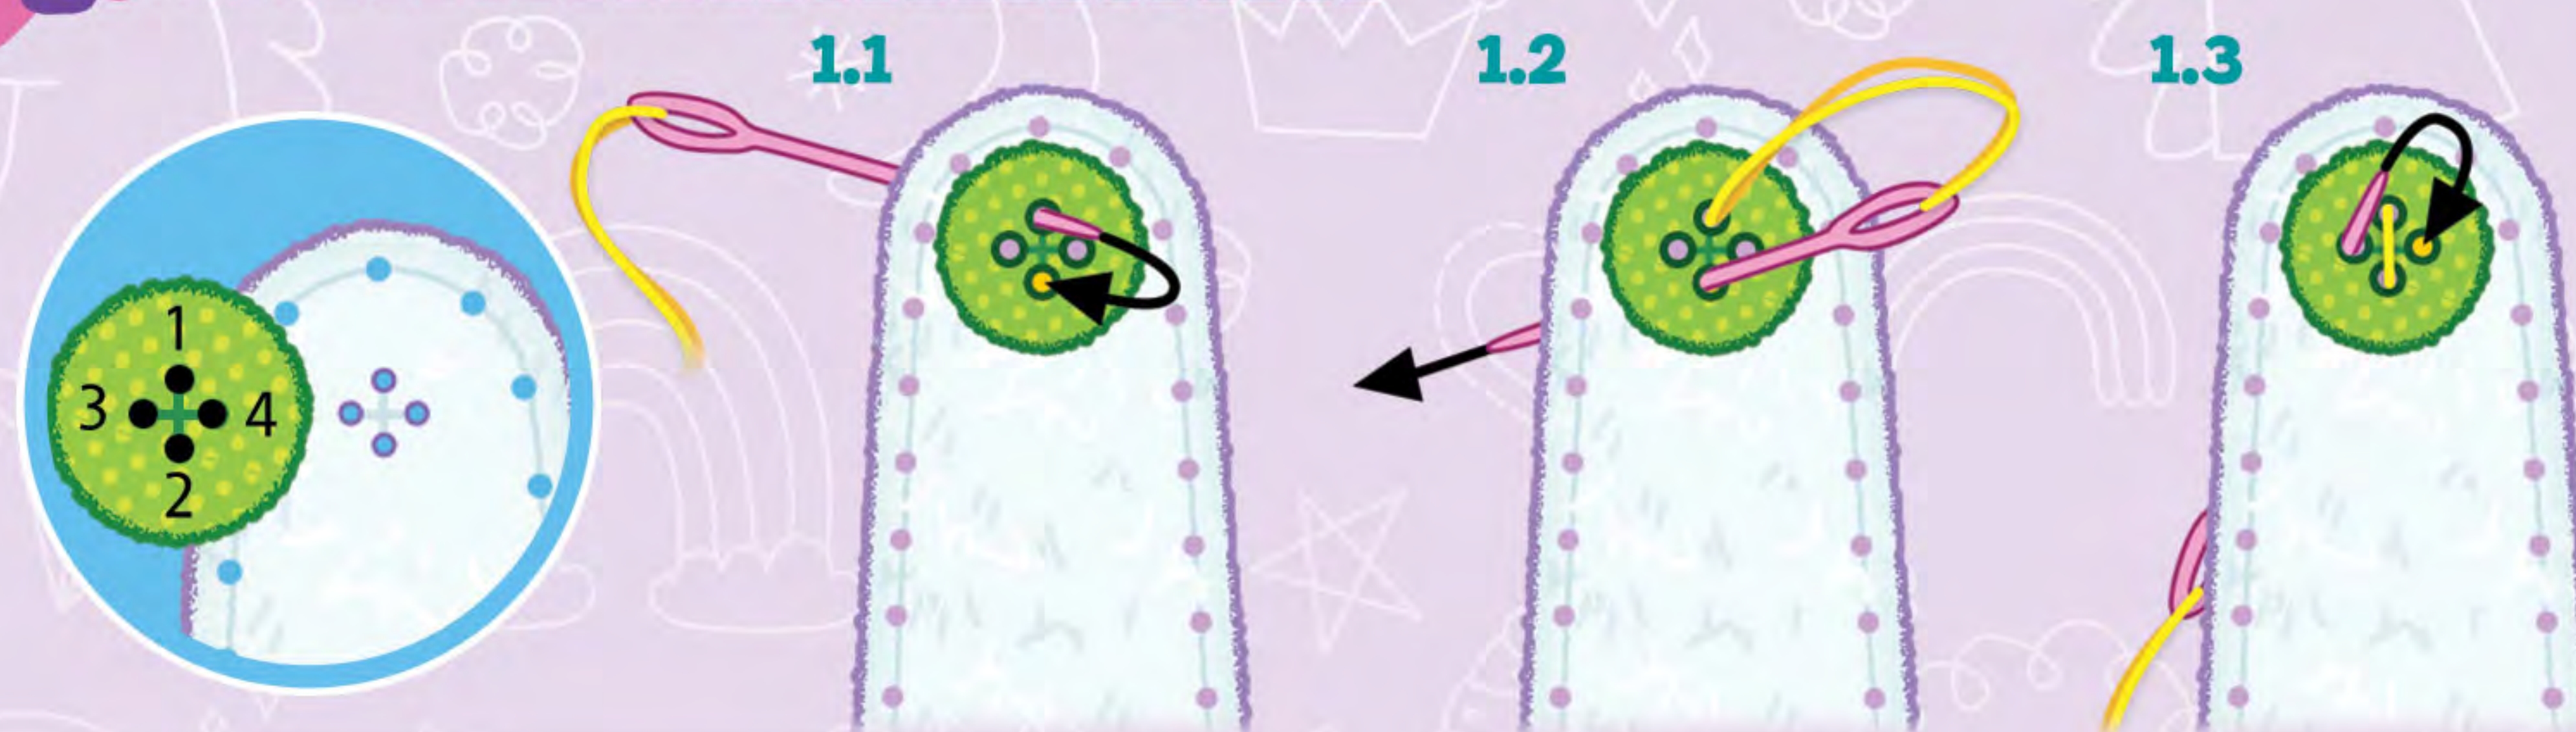

2 Sew back to 1. Then continue to sew the heart following the number order from 10-2.

4 Sew and Build the Legs

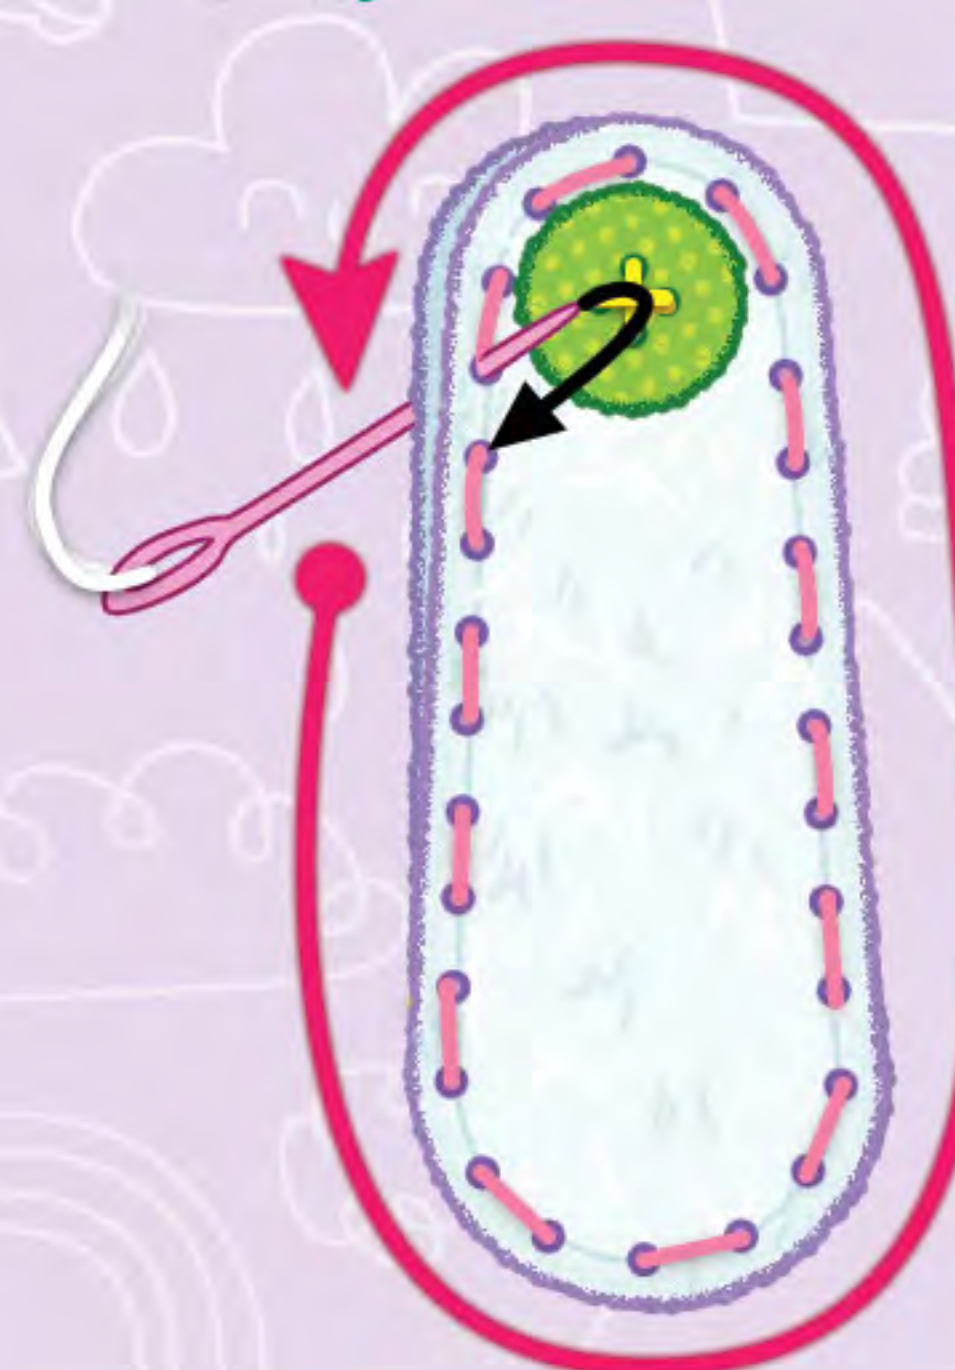

1 Yellow Thread - 60 cm

Put a button cutout on top of the fuzzy side of a fabric leg piece and use the yellow thread to sew it as shown above.

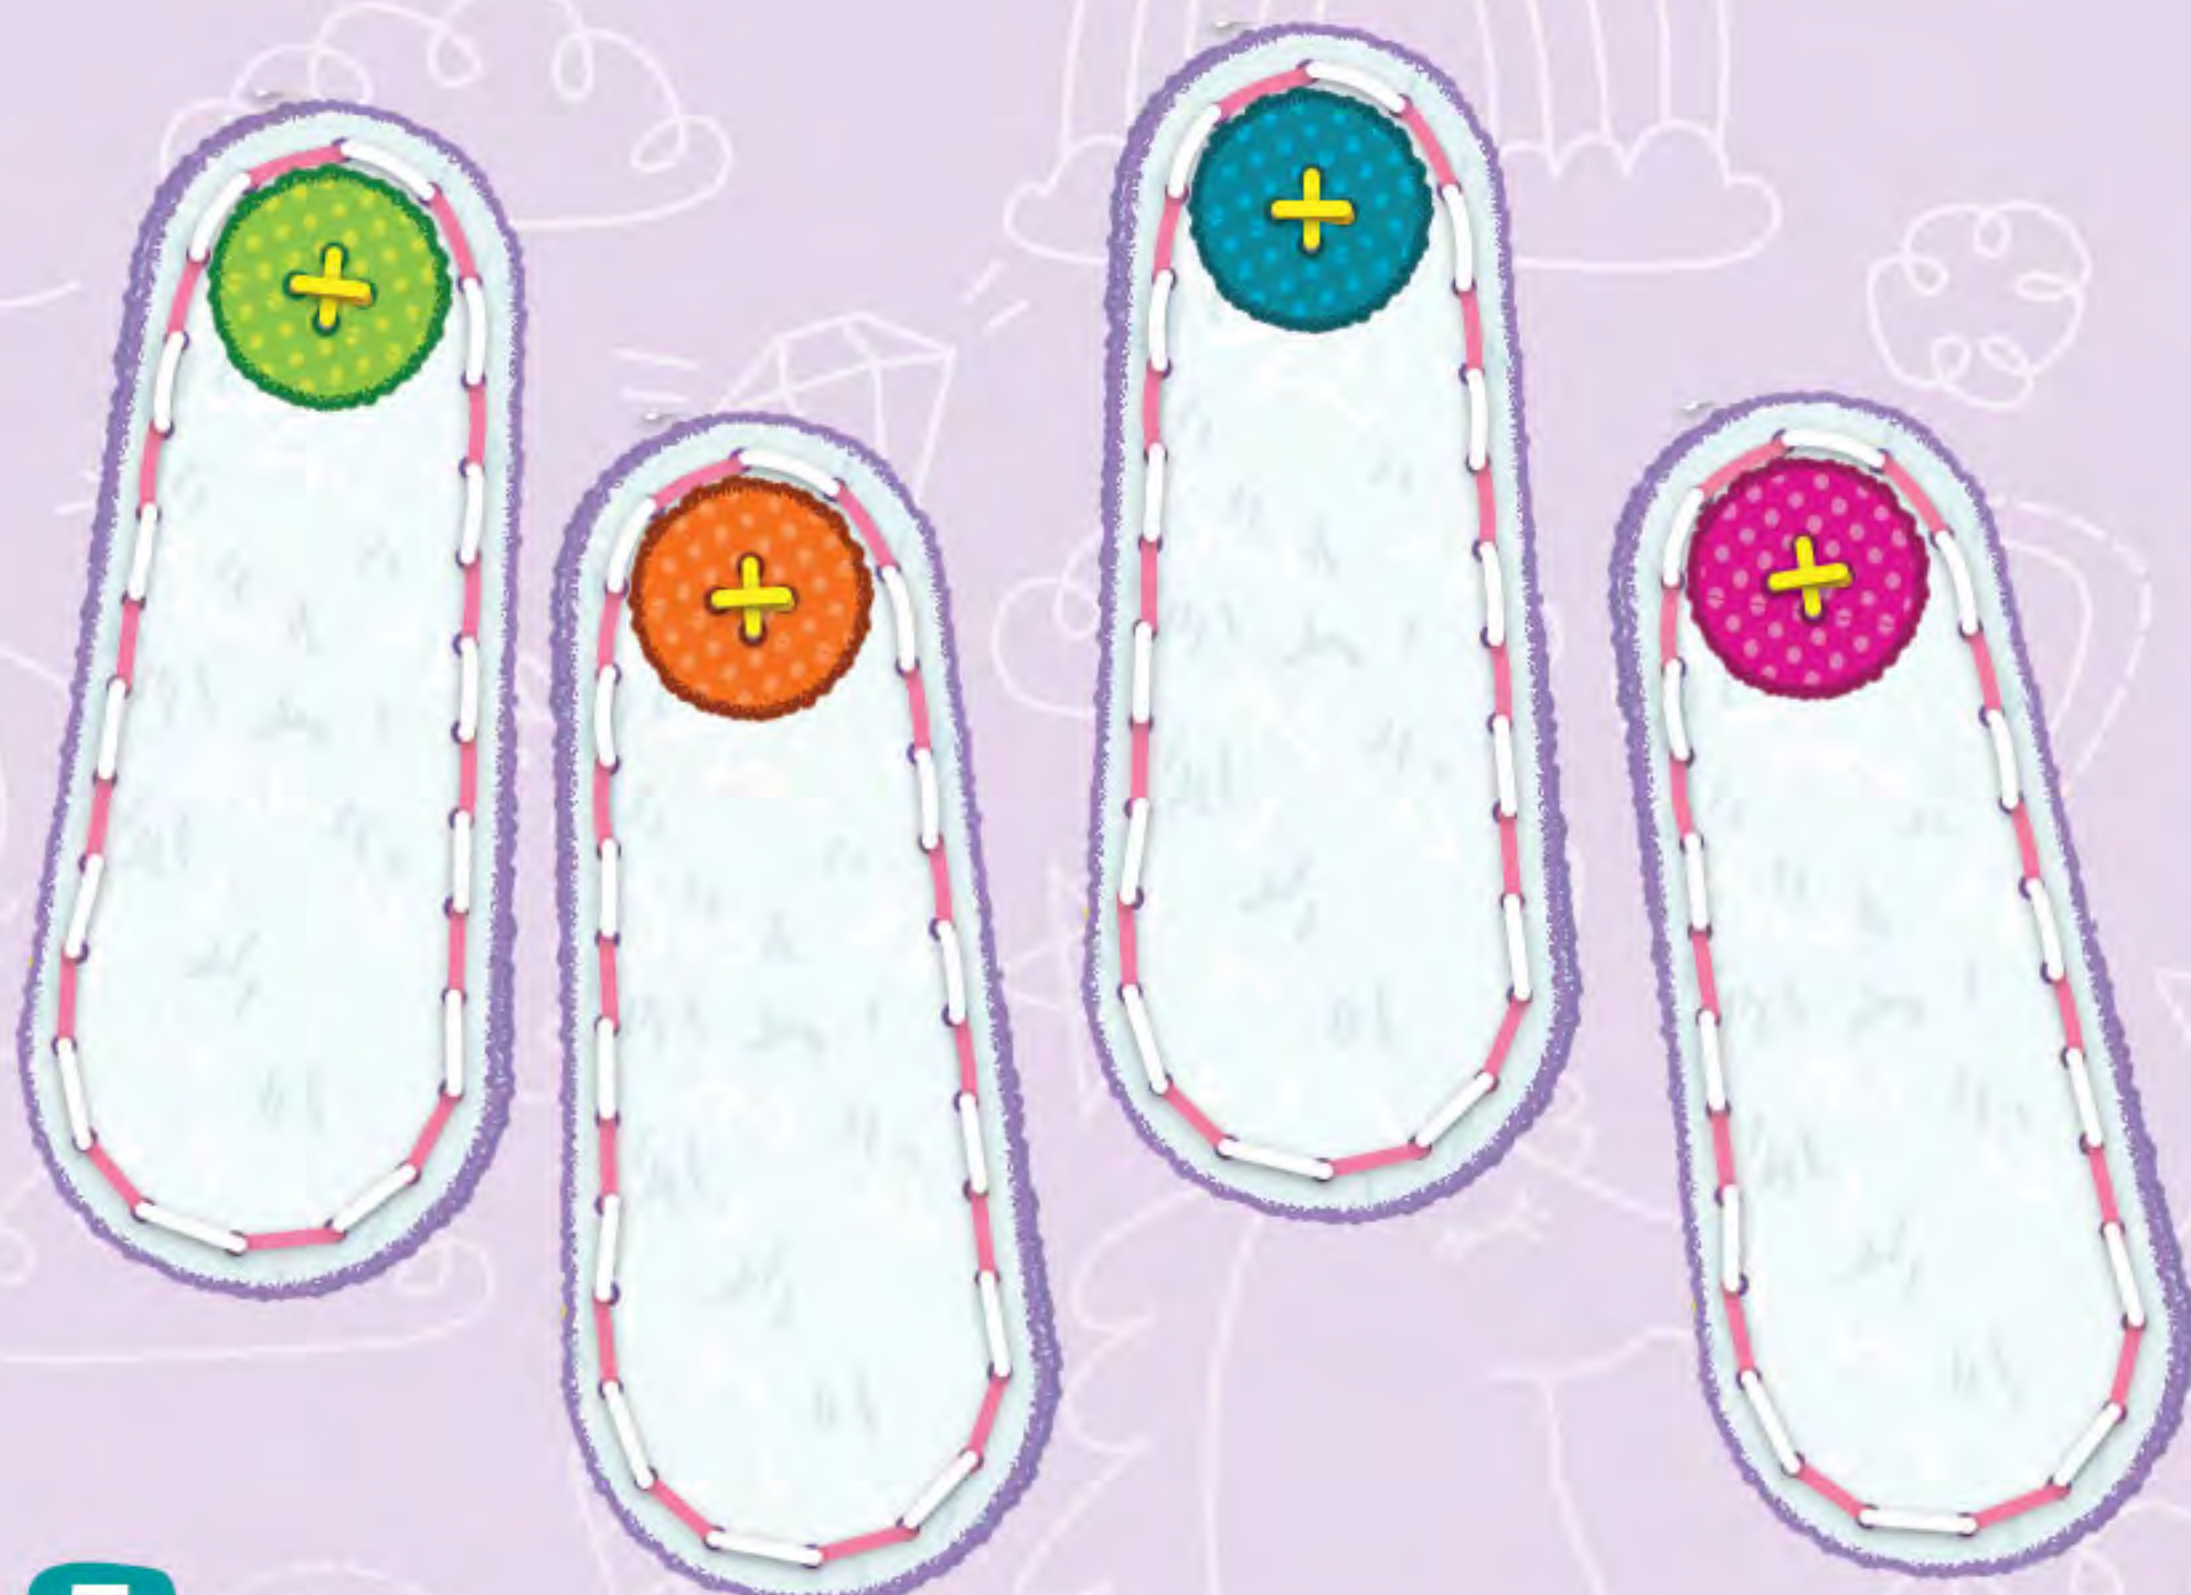

2 Pink Thread - 240 cm

Take another fabric leg piece and put them together with the fuzzy-side out. Sew the two legs together using the pink thread as shown above.

3

When halfway through, insert a plastic leg support and finish sewing the leg together.

4 White Thread - 240 cm

When done, use the white thread to sew between the pink stitches. Sew the entire leg.

5

Repeat the steps above to finish all four legs.

5 Sew the Mane

- 1 Take the four felt mane pieces and arrange them in the order shown above.

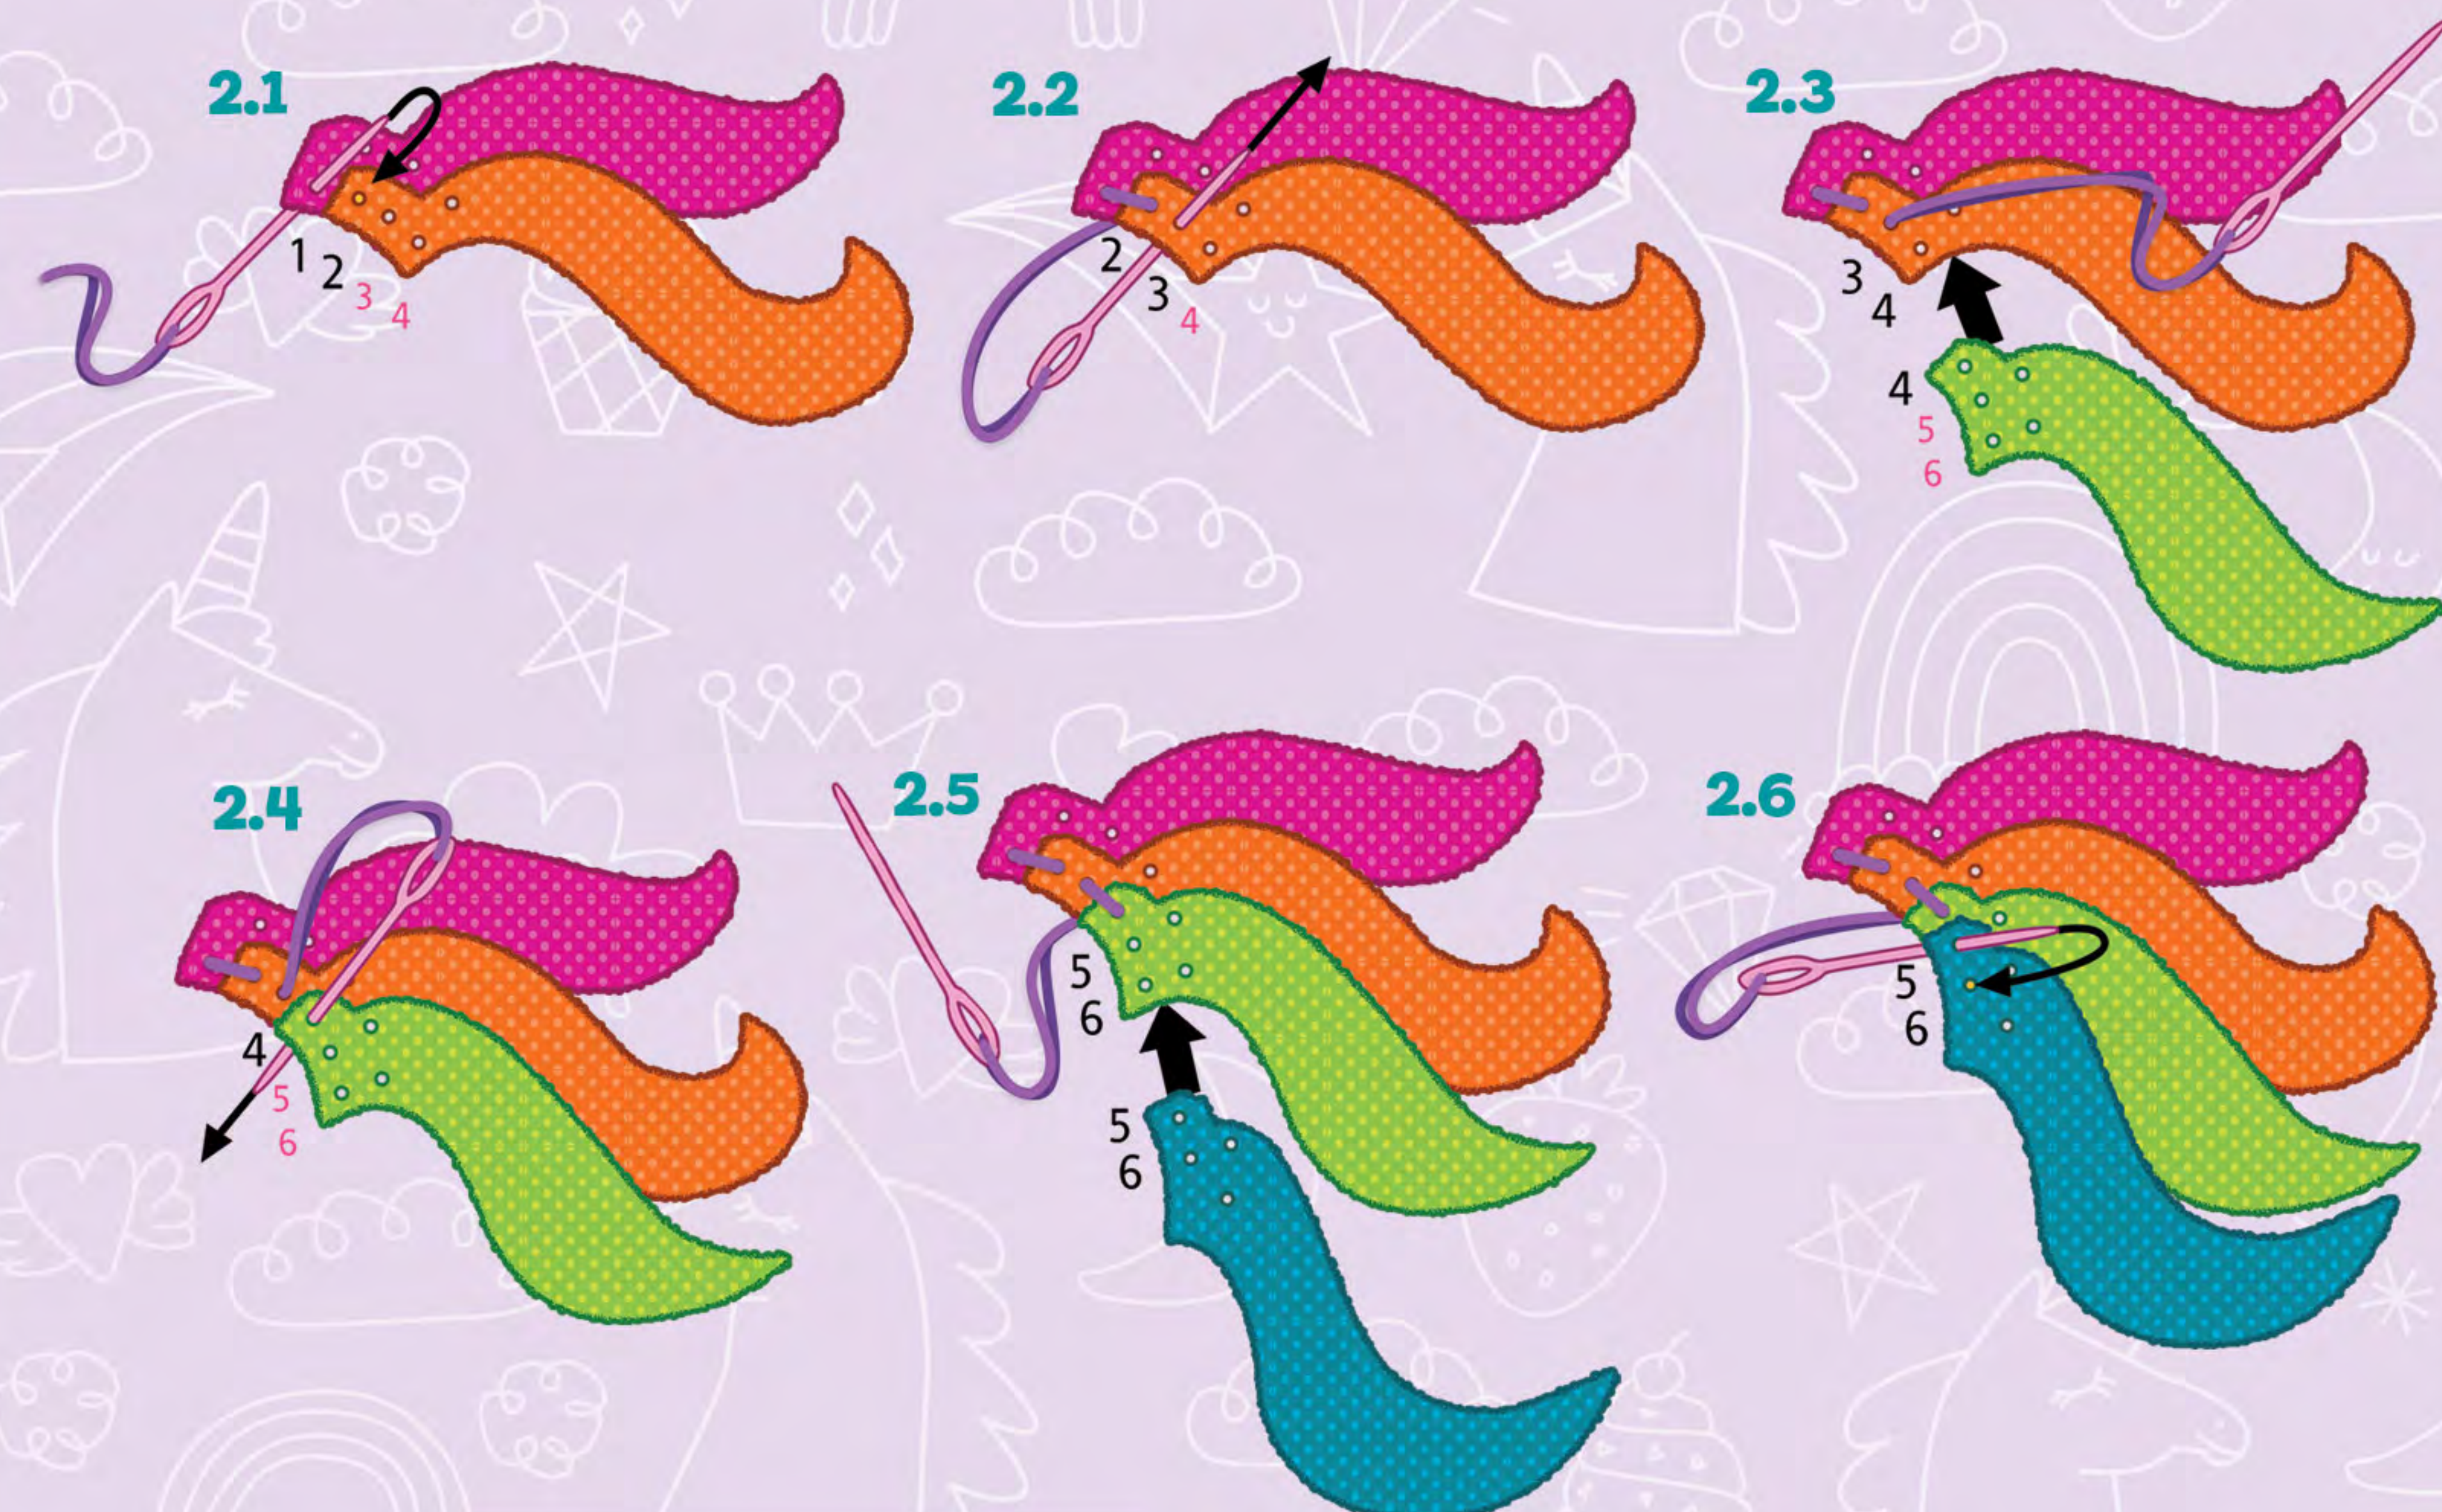

- 2 Purple Thread - 60 cm

Use the purple thread to sew the inner holes of the pieces together, from the top to the bottom of the mane.

6 Sew the Tail

- 1 Take the four felt tail pieces and arrange them in the order shown above.

- 2 Purple Thread - 60 cm

Use the purple thread to sew the inner holes of the pieces together, from the top to the bottom of the tail.

7 Attach the Mane and Tail Onto the Body

1 Pink Thread - 130 cm

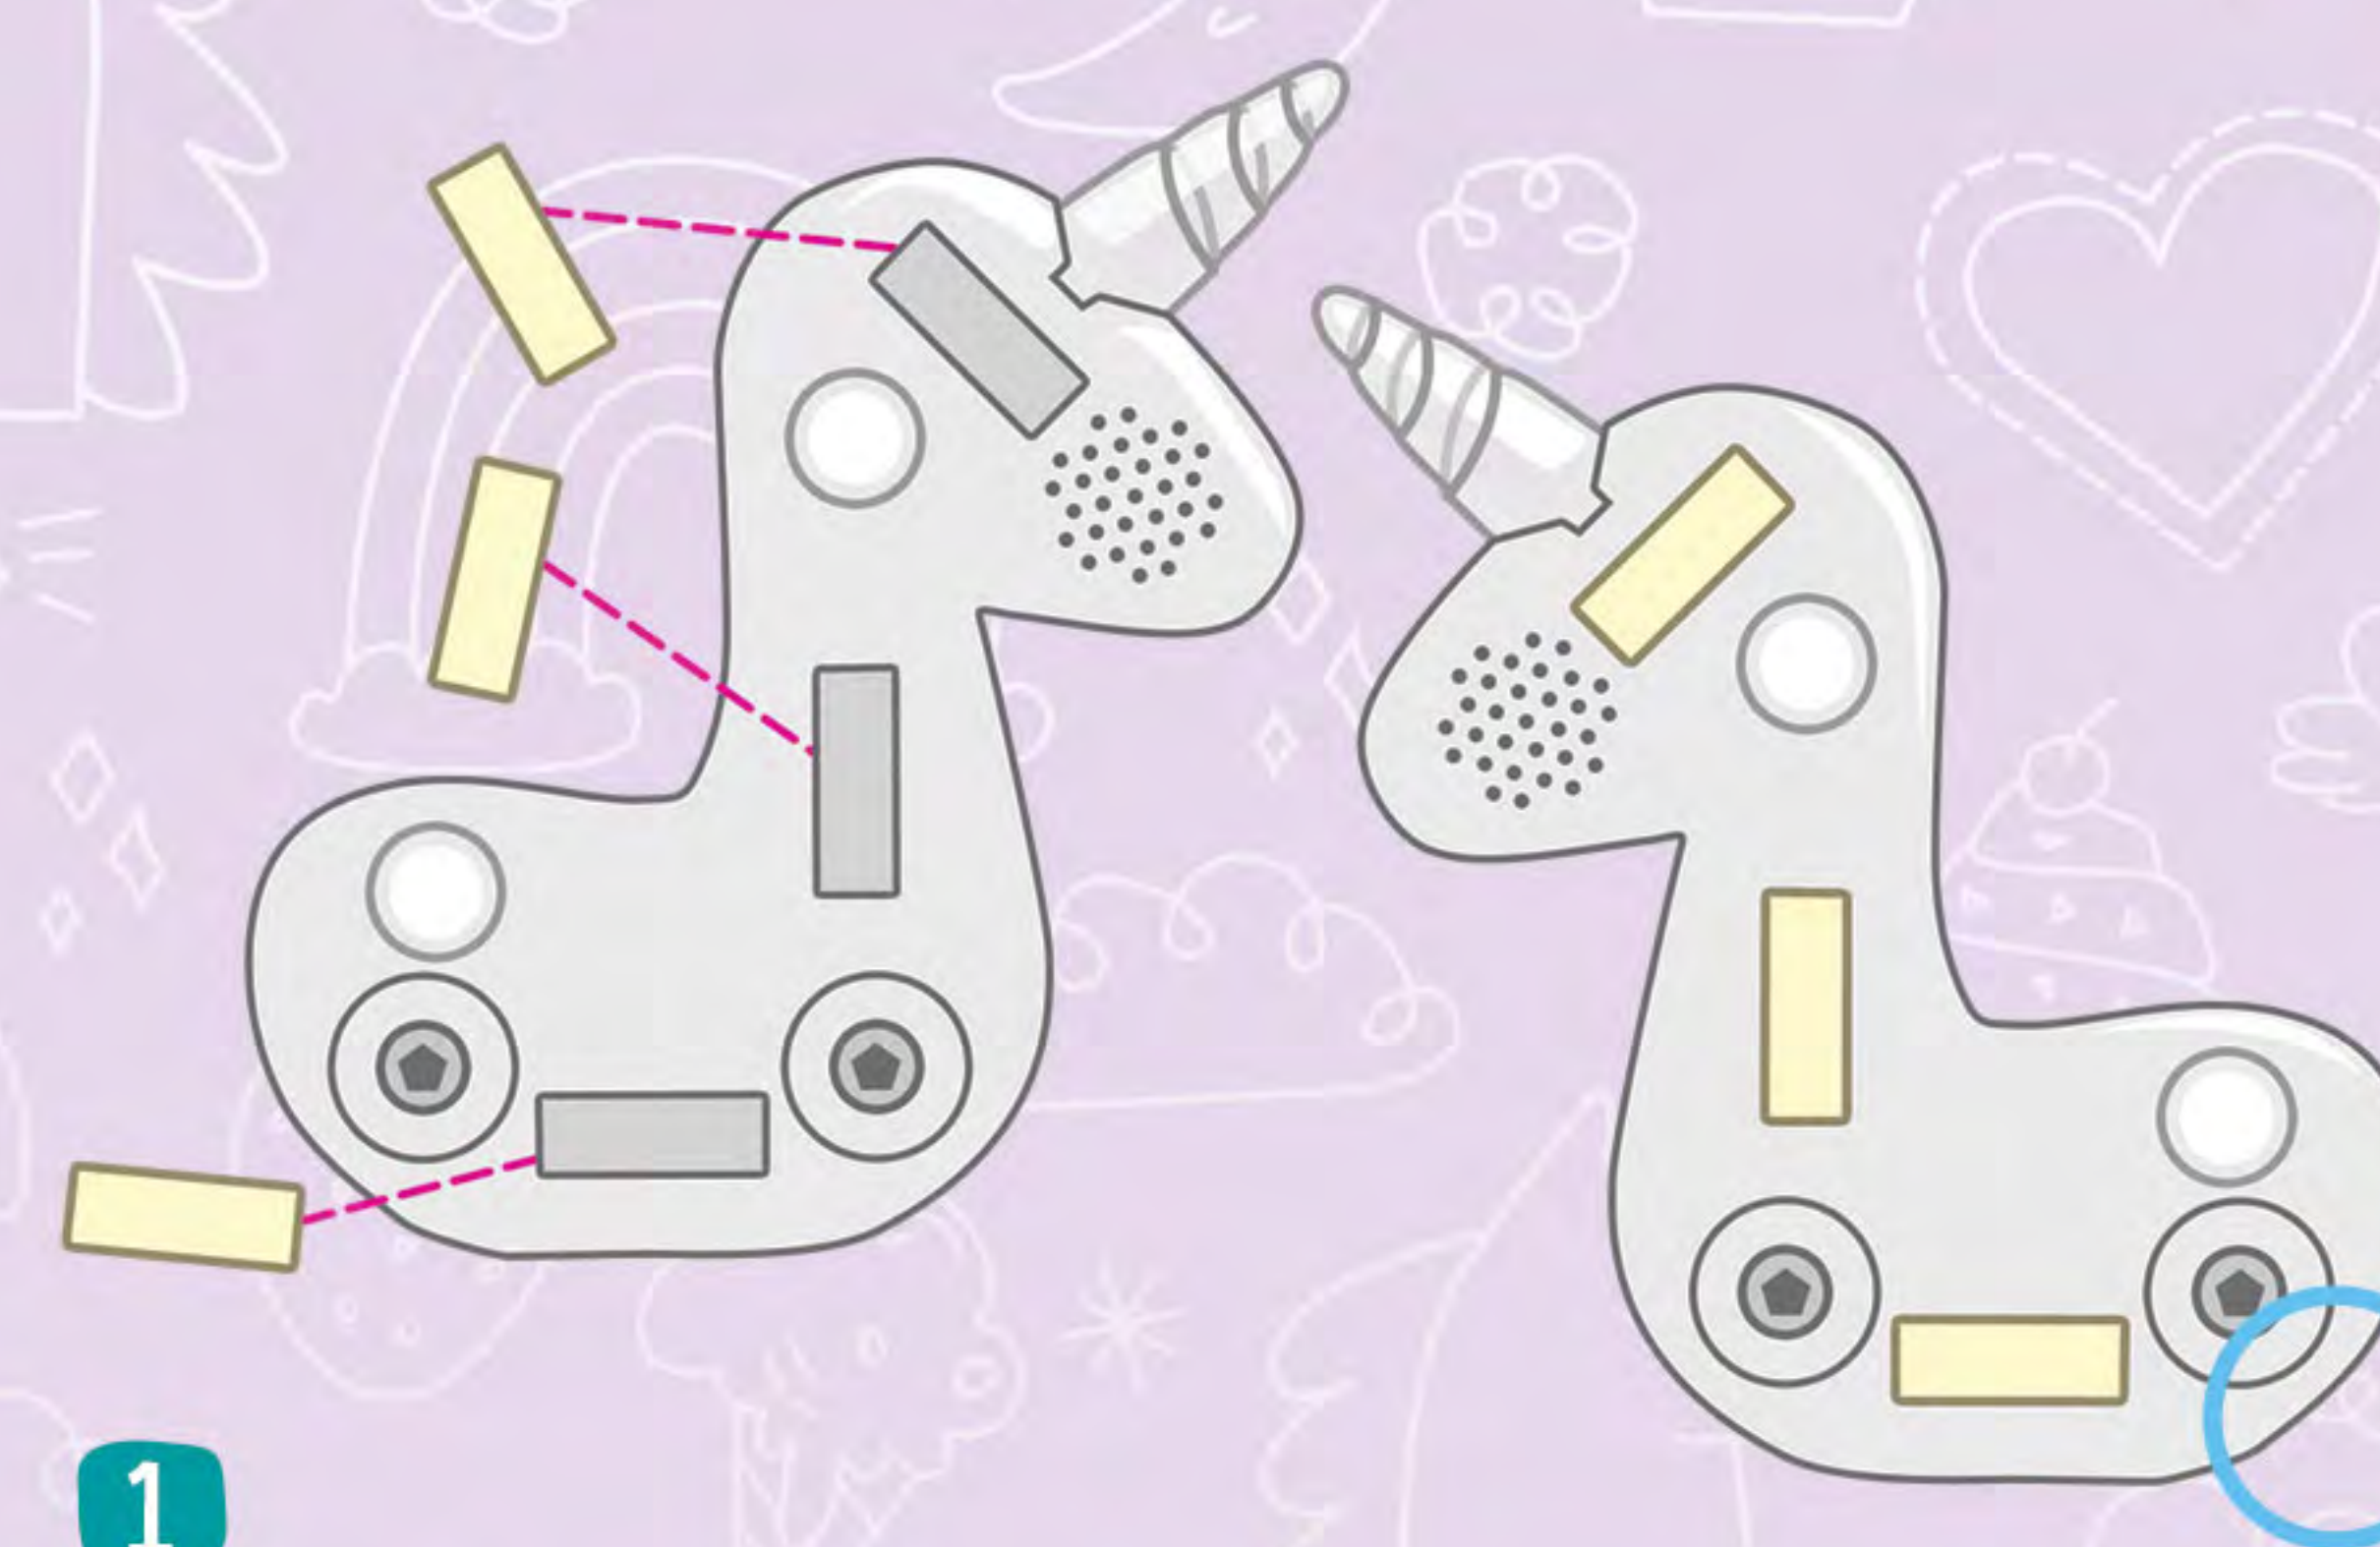

Insert the mane between the completed fabric body pieces following the numbers shown above. Use the pink thread to sew it in place from the top to the bottom of the mane.

2

Insert the tail between the completed fabric body pieces following the numbers shown above. Use the pink thread to sew it in place from the top to the bottom of the tail.

8 Attach the Fabric Body Pieces

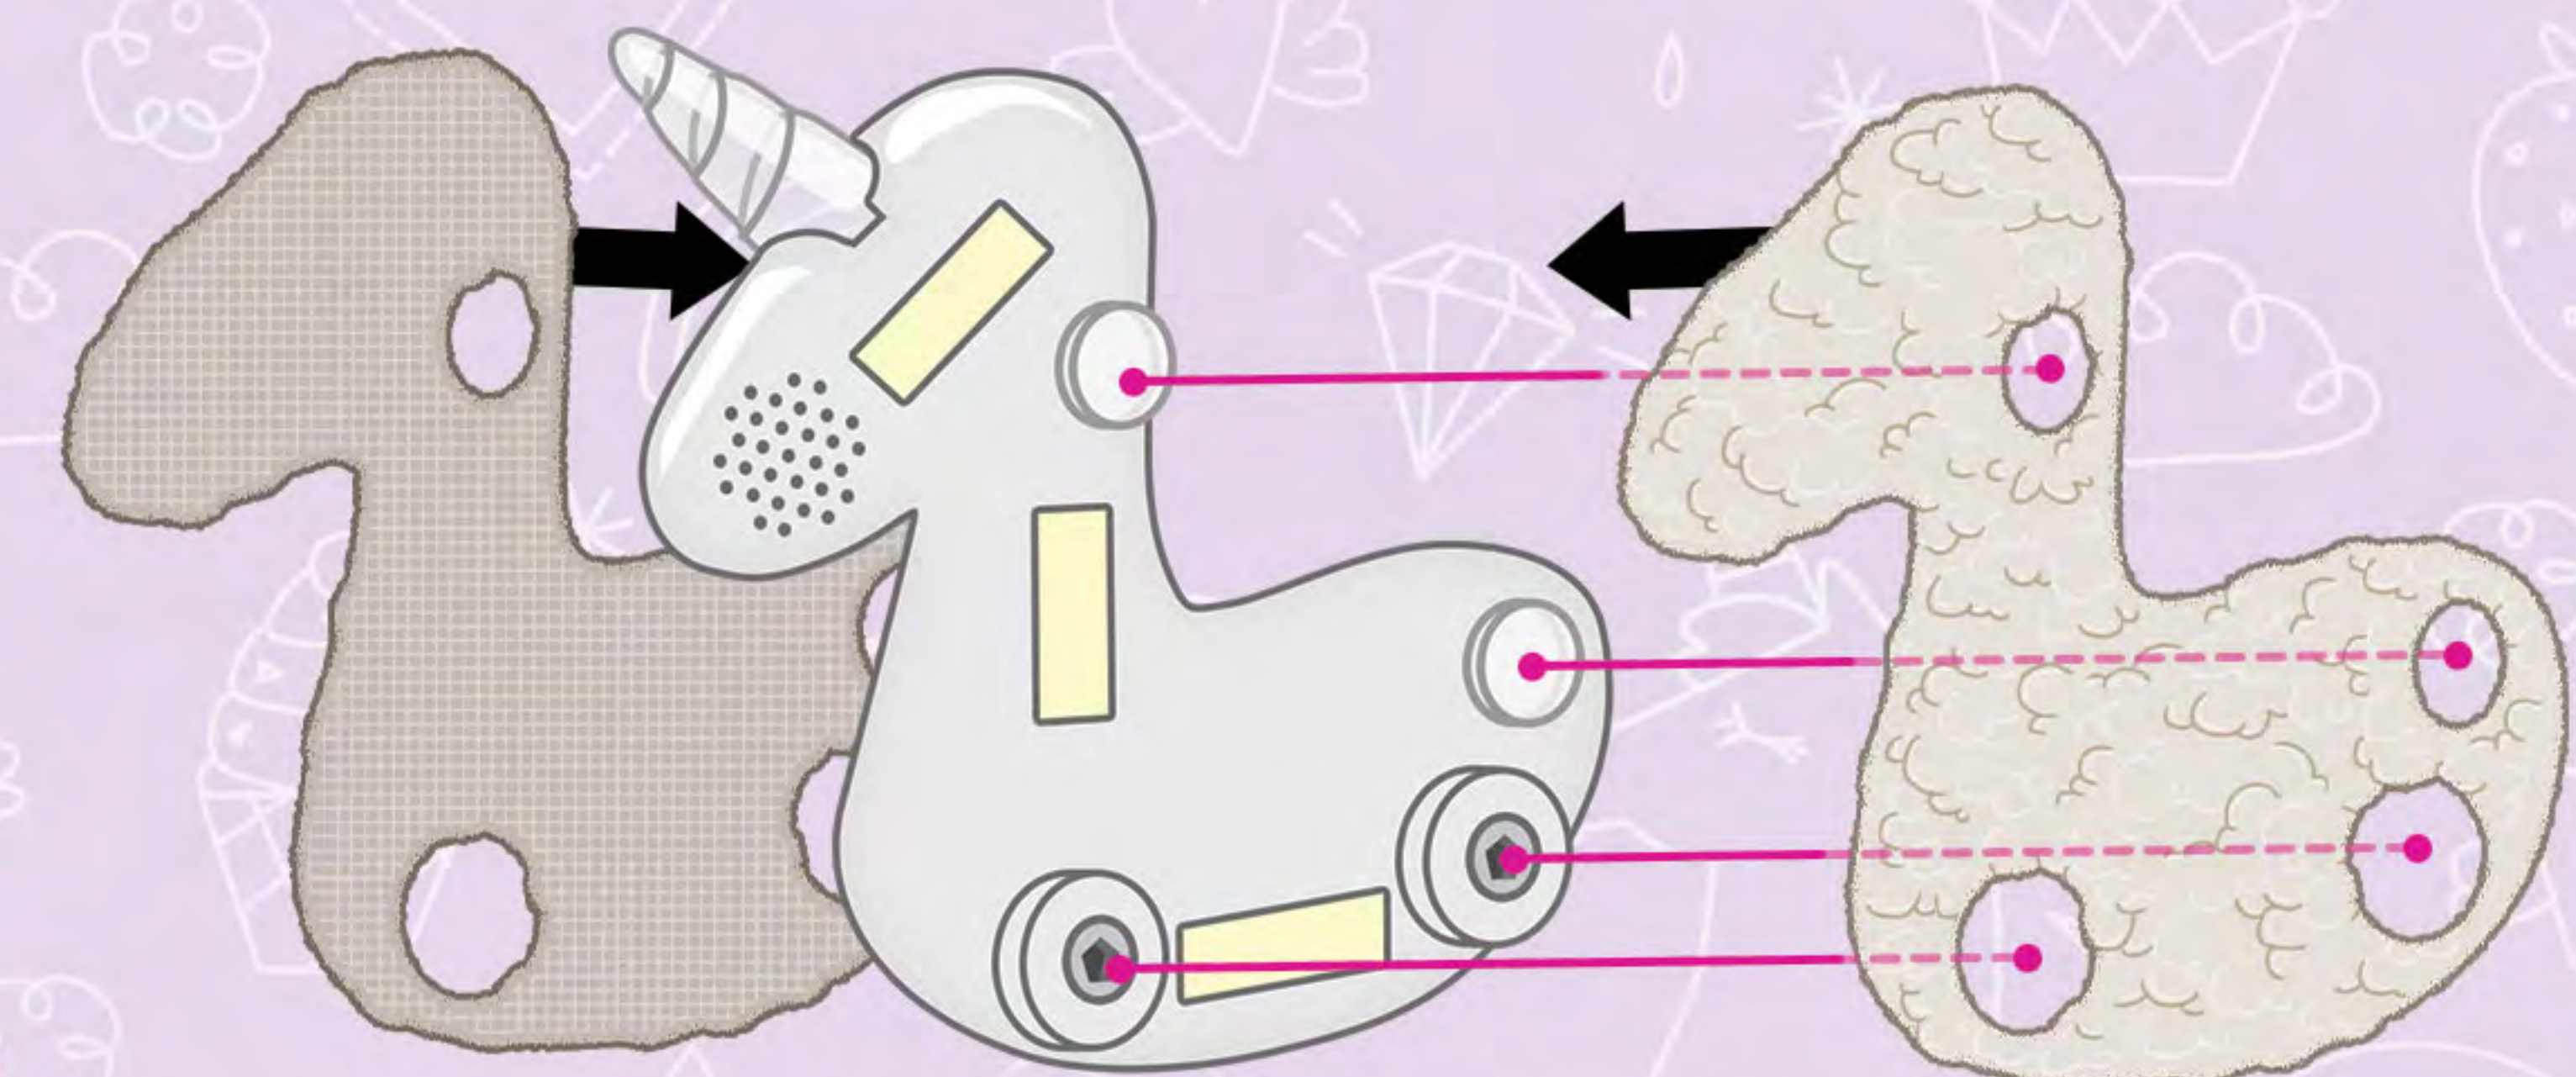

1

On each side of the electronics kit, stick on three pieces of double-sided tape as shown above.

Tip

Slide the switch to OFF before attaching the plush inserts.

2

Stick the plush inserts on each side of the electronics kit.

3

Insert the electronics kit inside the fabric body pieces.

9 Finish Sewing the Body

1 Pink Thread - 100 cm

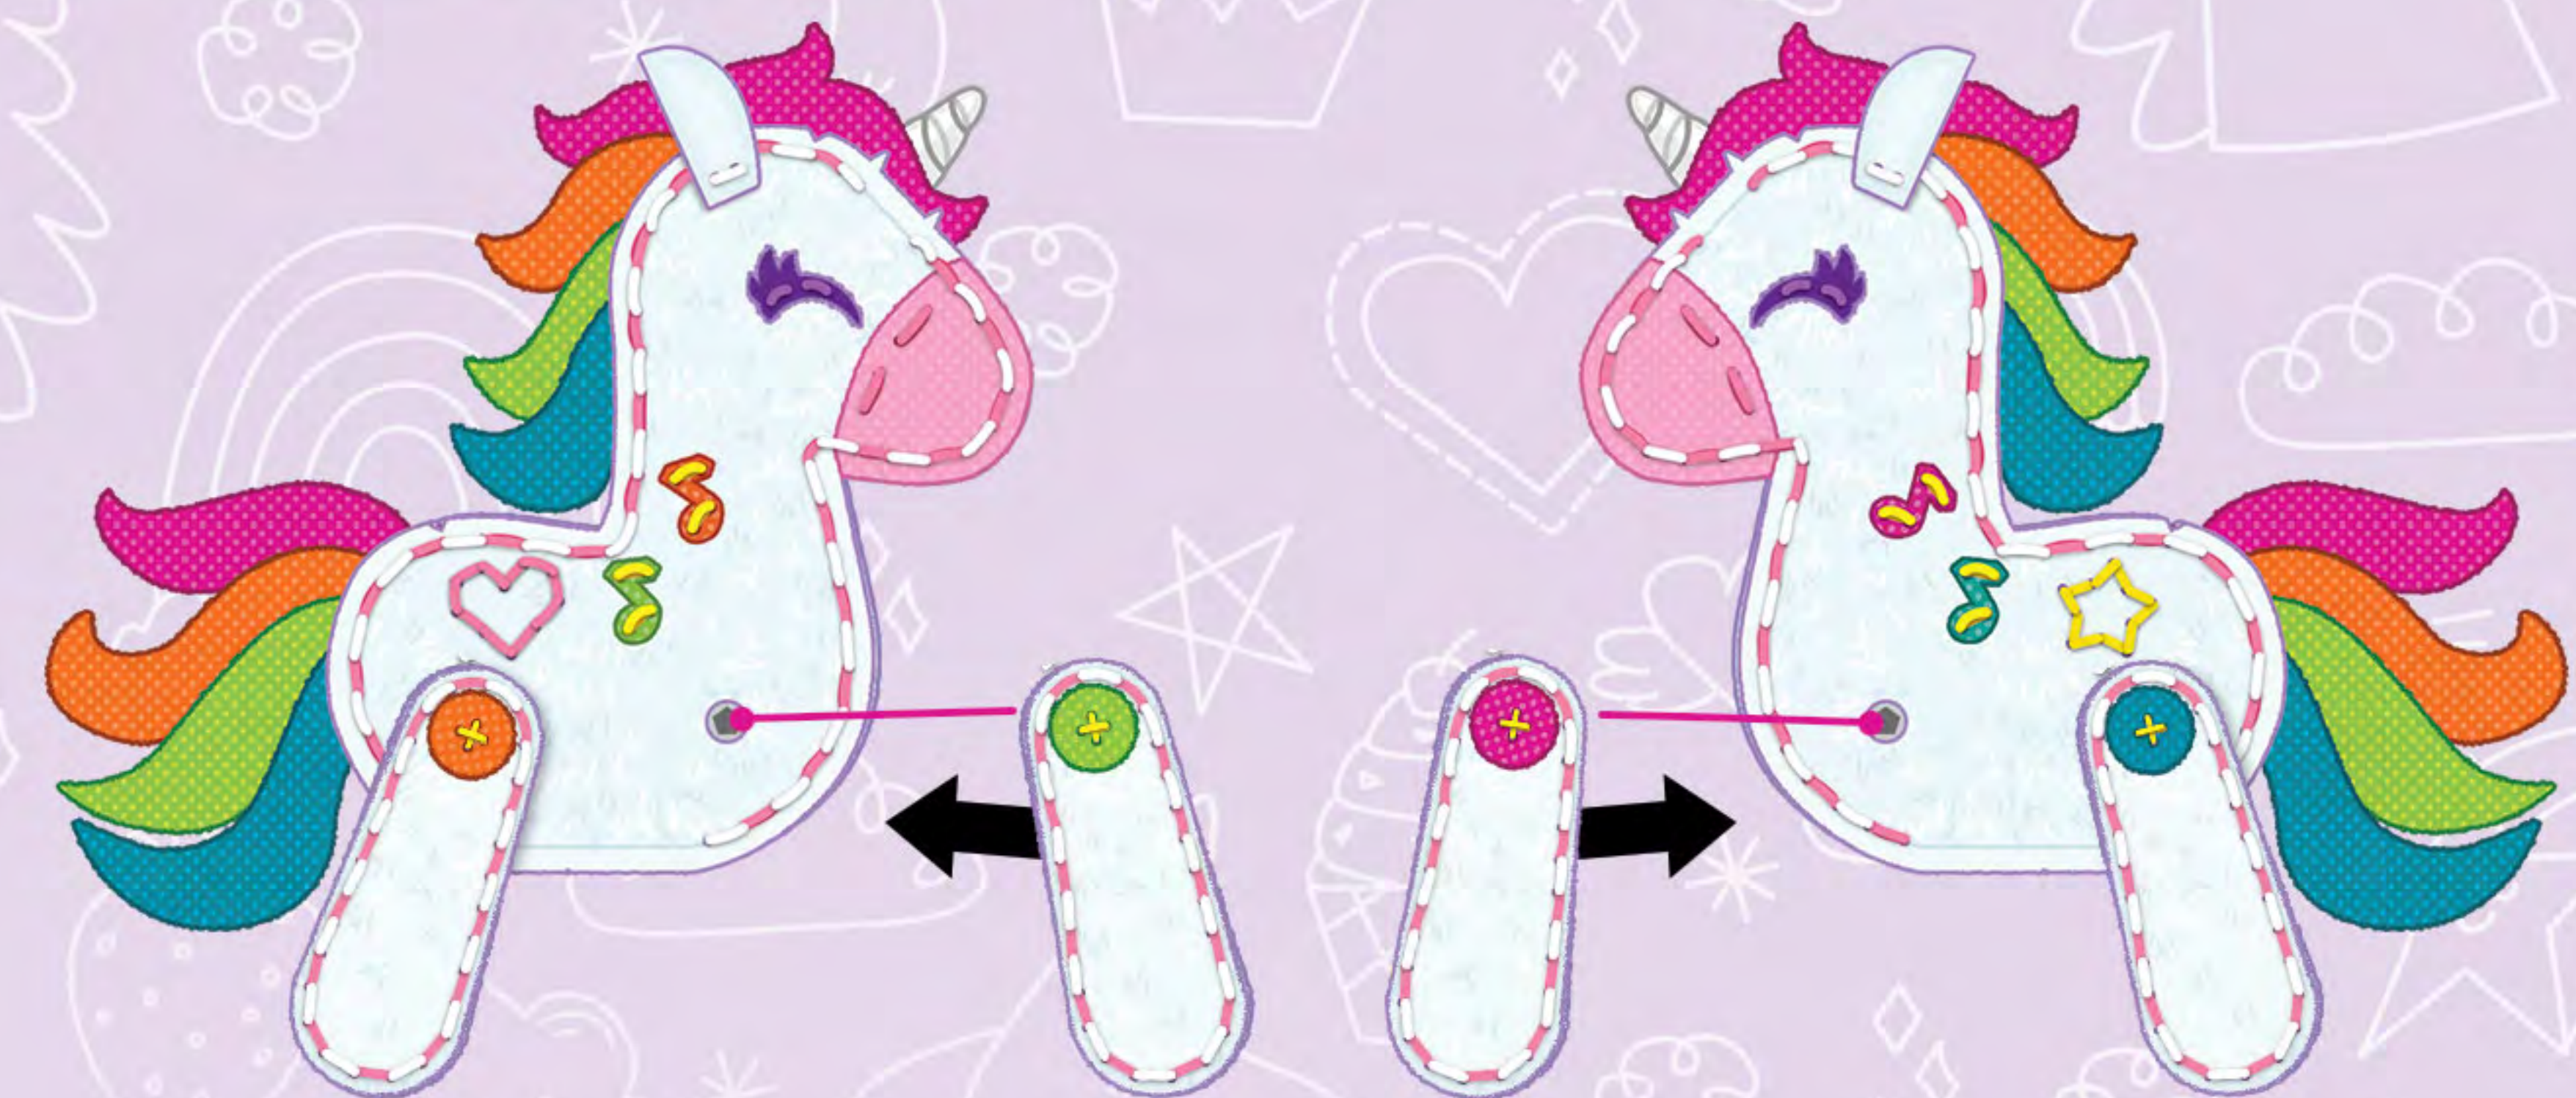

Sew the remaining part of the body using a pink thread.

2 White Thread - 100 cm

When done, use the white thread to sew between the pink stitches. Sew the entire body.

10 Attach the Legs

Attach all four legs to the unicorn as shown above.

Congratulations! Luna is Ready to Play!

Press the heart and star buttons to play with Luna.

Slide the switch to Play Mode.

Or **shake** to hear her sing and talk!
